THE AMENDED CONSOLIDATION ACT.

AN ACT

TO REPEAL THE SEVERAL CHARTERS OF THE CITY OF SAN FRANCISCO, TO ESTABLISH THE BOUNDARIES OF THE CITY AND COUNTY OF SAN FRANCISCO, AND TO CONSOLIDATE THE GOVERNMENT THEREOF.—APPROVED APRIL 19, 1856.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

ARTICLE I.

SECTION 1. The Corporation, or body politic and corporate, now existing and known as the "CITY OF SAN FRANCISCO," shall remain and continue to be a body politic and corporate, in name and in fact, by the name of the "CITY AND COUNTY OF SAN FRANCISCO;" and by that name shall have perpetual succession, may sue and defend in all Courts and places, and in all matters and proceedings whatever, and may have and may use a common seal, and the same may alter at pleasure, and may purchase, receive, hold, and enjoy real and personal property, and sell, convey, mortgage, and dispose of the same for the common benefit. The boundaries of the City and County of San Francisco shall be as follows: Beginning in the Pacific Ocean, three miles from shore, and on the line (extended) of the United States Survey, separating townships two and three south (Mount Diablo Meridian), and thence running northerly and parallel with the shore so as to be three miles therefrom opposite Seal Rock; thence in the same general direction to a point three miles from shore, and on the northerly side of the entrance to the Bay of San Francisco; thence to low-water mark on the northerly side of the said entrance, at a point opposite Fort Point; thence following said low-water mark to a point due northwest of Golden Rock; thence due southeast to a point within three miles of the natural high-water mark on the eastern shore of the Bay of San Francisco; thence in a southerly direction to a point three miles from said eastern shore, and on the line first named (considered as extending across said bay); and thence along said first-named line to the place of beginning.* The islands in said bay, known as the "Alcatrazes and Yerba Buena," and the islands in said ocean known as the "Farallones," shall be attached to and form a part of said city and county†: *provided, however,* that all rights and liabilities of the corporation heretofore and now known as the "City of San Francisco," shall survive to, and continue against, the corporations continued by this Act. The district or districts of said city and county, bordering upon the southern line thereof, as heretofore established, shall be extended to the southern line of said city and county, as established in this Act.—[Amendment April 18, 1857.]

SEC. 2. The public buildings, lands, and property, all rights of property and rights of action, and all moneys, revenues, and income, belonging or appertaining either to the corporation of the City of San Francisco, or to the County of San Francisco, are hereby declared to be vested in, and to appertain to, the said City and County of San Francisco, and the moneys in the treasury of said city, and in the treasury of said County of San Francisco, and all the revenues and income from whatsoever source arising, including delinquent taxes upon persons and property appertaining to the said city or to the said county, shall be handed over, paid, and received into the treasury of the City and County of San Francisco as a part of the General Fund; or where the said moneys, revenues, and income, or any part thereof, have been heretofore and still remain set apart and dedicated by lawful authority to the use of a Special Fund, the necessity and objects of which still continue, the same shall continue to be received, held, and disbursed for the same use, unless it is otherwise provided in this or some other Act.

SEC. 3. The records, books, and papers in the custody of the said City Treasurer, shall be handed over to and received into the custody of the Treasurer of the said city and county, and all other books, records, and papers of the said corporations shall be delivered and received into the custody of the Clerk of the Board of Supervisors of said city and county, and shall not be withheld under any claim of a lien thereon for arrears of salaries, fees, services, or advances, nor

* The Act of the Legislature, 1874, changes the westerly boundary of Alameda County so as to include therein the entire wharf of the Central Pacific Railroad Co., thereby placing the eastern boundary of San Francisco County about five hundred feet west of the old line.

† By the Act of the Legislature, April 25, 1860, the boundaries of Marin County have been extended so as to include the islands of Los Angeles, Dos Hermanos, and Marin.

under any other pretense whatsoever. Suits and actions may be brought and maintained in the name of the City and County of San Francisco, for the recovery of any property, money, or thing belonging thereto, or the enforcement of any rights of, or contracts with, said city and county. And from any judgment* rendered against the said city and county in any Court, an appeal may be taken by the said city and county, where such appeal is allowed by law, without the giving of any appeal bond or undertaking, or complying with the other requisites prescribed by law.

SEC. 4. All the existing provisions of law, defining the powers and duties of county officers, excepting those relating to Supervisors and Boards of Supervisors, so far as the same are not repealed or altered by the provisions of this Act, shall be considered as applicable to officers of the said City and County of San Francisco acting or elected under this Act. Provision shall be made from the revenues of the said city and county for the payment of the legal indebtedness of the former city corporation and of the County of San Francisco. The taxes which may be levied and collected under the provisions of this Act shall be uniform throughout the said City and County of San Francisco; but in case it should hereafter be found necessary, for the purpose of providing for the said city indebtedness, to increase taxation beyond the rate of the county tax levied upon property in said County of San Francisco, during the year one thousand eight hundred and fifty-five, such increased taxation, over and above the rate aforesaid, shall be levied and assessed exclusively upon the real and personal property situated within the limits † defined in the second section of the Act entitled "An Act to Re-incorporate the City of San Francisco," passed May fifth, one thousand eight hundred and fifty-five, and not upon such property situated without those limits.

SEC. 5. Immediately after the passage of this Act, the present City Attorney, Surveyor-General, and C. K. Garrison, shall proceed to lay off the said city and county into twelve convenient districts, equal in population as near as conveniently may be, giving a distinct name to each district, the boundaries of which they shall accurately define by reference to public streets, roads, or other permanent monuments, and shall cause a map to be made representing the said districts, with their names and boundaries so fixed. The act of said officers establishing said districts, signed by them, or a majority of them, shall be recorded in the office of the County Recorder of said city and county, and the original deposited in the office of the County Clerk, and the map shall be deposited with the said County Surveyor. Each of said districts shall constitute an Election Precinct.‡

SEC. 6. The provisions of this section referring to the elections and terms of city and county officers have been superceded by Act of April 2, 1866, and the amendments thereto.—[See Supplemental Act I, page 881.] To Justices of the Peace and Constables, by Acts of March 26, and the amendments thereto, February 10, 1870.—[See Supplemental Act XXIX, page 928.] And to the election of Inspectors and Judges of the Election, by the Political Code, Part III, Secs. 1127-1144.

Vacancies in the office of Supervisor or School Director [Act April 29, 1857], where the term of office will not expire at the next ensuing general election, shall be then filled by an election in the proper district, for the unexpired term and for the interval between the happening of any such vacancy and the general election next ensuing; any vacancy in the office of the Supervisor shall be filled by appointment by the President of the Board of Supervisors, by and with the advice and consent of a majority of the Supervisors then in office; and any vacancy in the office of School Director [re-enacted; see Article III, Sec. 13, page 894] shall be filled by appointment by the Superintendent of Common Schools, by and with the advice and consent of a majority of the School Directors then in office; and such appointees shall hold office respectively until the general election next ensuing and the election and qualification of their successors in office. But no such appointment shall be valid unless the appointee be, at the time of his appointment, an elector of the district wherein the vacancy occurred.—[Amended; see Supplemental Act I, Sec. 4, page 881.]

SEC. 7. By the term "qualification of officers," as used in this Act, is to be understood their having taken the oath of office, given the official bond, where it is required by law, and complied with all the requisites prescribed by the statutes of this State, to entitle and qualify them to exercise the functions of their offices.

SEC. 8. The Sheriff, County Clerk, § County Recorder, Treasurer, District Attorney, Auditor, Tax Collector, Superintendent of Public Streets and Highways, Surveyor, Harbor Master, and Clerk of the Board of Supervisors of said city and county shall keep public offices, which shall be kept open for the transaction of business every day in the year, except Sundays, Christmas, New Year's, Fourth of July, Thanksgiving, the Twenty-second of February, and on any days during which a general election shall be held, between the hours of nine o'clock A.M. and four o'clock P.M.—[Amendment May 14, 1861.]

* The Act of April 13, 1858, authorizes the payment from the General Fund of any final judgment against the City and County of San Francisco.

† See Note (t), page 890.

‡ Districts changed to wards.—[Act April 2, 1866.] The Board of Supervisors of each county must establish a convenient number of election precincts, and may from time to time change boundaries of, create new, or consolidate and establish, precincts.—[Political Code, Part III, Secs. 1127-1129.]

§ The Act of February 1, 1872, authorizes the County Clerk to close his office also on the day on which the judicial election is held.

MORGAN & CO. have Prince's Bay Transplanted Oysters always on hand.

SEC. 9. Whenever vacancies occur in any elective office of the said city and county, and provision is not otherwise made in this or some other Act for filling the same until the next election, the Board of Supervisors shall appoint a person to discharge the duties of such office until the next election, when the vacancy shall be filled by election for the term. All persons so appointed shall, before entering upon their duties, take the oath of office, and give bond as required by law. But in an action or proceeding where the Sheriff of said city and county is a party, or is interested, or otherwise incapacitated to execute the orders or process therein, the same shall be executed by a suitable person residing in said city and county, to be appointed by the Court, and denominated an "Elisor," who shall give such security as the Court, in its discretion, may require, and shall execute the process and orders in the same manner as the Sheriff is required to execute similar process and orders in other cases.*

Secs. 10 and 11. [Act May 17, 1861, amended April 18, 1857, and by subsequent Acts—the date of each will be found affixed to the office to which it refers.] Salaries shall be allowed and paid to the following officers† of the City and County of San Francisco, as in this Act provided, and not otherwise, and shall be in full compensation for all official services required of them by law.

County Judge, five thousand dollars per annum.—[Amendment April 18, 1857.]

Probate Judge, five thousand dollars per annum.—[Amendment April 27, 1863.]

Municipal Criminal Court Judge, five thousand dollars per annum.—[Act March 31, 1870.]

Police Judge, four thousand dollars per annum.—[Amendment May 17, 1861.]

City and County Attorney and Counselor, five thousand dollars per annum, who shall perform such duties as may be prescribed, from time to time, by the Board of Supervisors.—[Act March 25, 1862.] Assistant [office abolished Act April 1, 1872, Sec. 25] Clerk, one hundred and twenty-five dollars per month.—[Amendment April 4, 1863.]

Board of Fire Commissioners and Board of Supervisors to place said Department in the most effective condition for service; and should it hereafter in the judgment of said Board of Supervisors and Board of Fire Commissioners be deemed advisable and necessary to organize and establish any company or companies to operate and manage any patent fire extinguisher or appliance for extinguishing fire that may be purchased for the use and more effectual working of said Fire Department, said company or companies shall be organized, officered, and manned as said Boards may, by regulation or order, direct. Volunteer companies may be organized for outside districts of said city and county, upon the recommendation of the Board of Fire Commissioners and approval of the Board of Supervisors, and when so organized they shall be under the provisions of this article, and subject to such rules and regulations as the Board of Fire Commissioners may prescribe; but none of the members thereof, except the Steward of the company, shall receive any salary, which salary shall be fixed by the Board of Supervisors, upon the application of the Board of Fire Commissioners.

SEC. 5. The Clerk, Chief Engineer, and Assistant Engineers shall be appointed by the Board of Fire Commissioners, each for a term of two years from and after their appointment, subject, however, to removal at the pleasure of said Board, under such rules and regulations as may be established by said Board and approved by the Board of Supervisors; and all subordinate officers, employés, and members shall be appointed by said Board of Fire Commissioners, and be removable at its pleasure, under like rules and regulations, but no officer or member of said Fire Department shall be removed for political reasons. The first term of two years above mentioned shall be deemed to mean from the first Monday in December, one thousand eight hundred and seventy-three, and then every two years thereafter, but the terms of office of the persons now entitled to the above named offices shall not be deemed to be altered, changed, or affected by the provisions of this article.

SEC. 6. All the paid members of said Fire Department, except the Veterinary Surgeon, Foremen, Assistant Foremen, company Clerks, Hosemen, Hook and Laddersmen, and Stewards of volunteer companies, shall give their undivided attention to their respective duties, but the Foremen, Assistant Foremen, company Clerks, Hosemen, Hook and Laddersmen, and Stewards of volunteer companies shall perform such duties as may be prescribed from time to time by said Board of Fire Commissioners and ordered to be executed by the Chief Engineer.

SEC. 7. The Board of Supervisors of said city and county shall have power to contract for and locate all cisterns, hydrants, engine, hose, and hook and ladder houses required; to contract for and furnish all supplies; to direct and control all alterations and repairs, and to pass all orders for the government and control of said Fire Department as they shall deem for the best interest thereof. And said Board of Fire Commissioners shall have power to prescribe the duties of the officers and members of said Fire Department; and to adopt rules and regulations for the management and discipline thereof: *provided*, that such rules and regulations shall first be approved by said Board of Supervisors. And said Board of Supervisors are authorized and required to provide and furnish for the use of said Board of Fire Commissioners a suitable room or rooms in some of the public buildings of said city and county, to serve as an office for their meetings and the transaction of business relating to said Fire Department, in which the Clerk shall be in attendance daily during official hours. The Chief and Assistant Engineers of said Department shall also make it their headquarters daily during office hours when not otherwise engaged in official duties.

SEC. 8. The persons composing the present Board of Fire Commissioners shall continue in office as such Commissioners until the expiration of their present terms of office, respectively, except in the case of the person elected or appointed to fill the vacancy occasioned by the resignation of John C. Merrill, who shall continue in office only until the first Monday in December, eighteen hundred and seventy-five, when he shall be succeeded by the person elected by the people of said city and county at the general election to be held that year as hereinafter provided. At the general election to be held in said city and county, in the year one thousand eight hundred and seventy-five, there shall be elected by the qualified electors thereof, three persons as Fire Commissioners, to hold office for the term of four years each from the first Monday of December of said year, who shall enter upon the discharge of their duties as such Fire Commissioners upon that date, and shall hold office until their successors are elected and qualified. At the general election to be held in the year one thousand eight hundred and seventy-seven, there shall be elected by the qualified voters of said city and county, two persons as Fire Commissioners, to hold office for the term of four years each from the first Monday of December next ensuing, and until their successors are elected and qualified. And at every general election thereafter there shall be elected by the qualified voters of said city and county, one or more persons (as the case may be) as Fire Commissioners, to fill vacancies then existing in unexpired terms, or for full terms of four years each, or for both such terms as may be found necessary. Should any vacancy occur in the office of Fire Commissioner by death, resignation, or otherwise, the Board of Supervisors of said city and county shall appoint some suitable person to fill the same until the next general election, when a person shall be elected as Fire Commissioner for the unexpired term by the qualified electors of said city and county.

SEC. 9. Said Board of Fire Commissioners shall supervise and control said Fire Department, its officers and members, subject to the laws governing the same, and shall see that the officers and members thereof faithfully discharge their duties, and that the laws, orders, and regula-

tions relating thereto are carried into operation and effect. They shall not, nor shall either of them, or the Chief or Assistant Engineers of said Fire Department, be interested in any contract pertaining in any manner to said Department, or in the sale or furnishing of apparatus or supplies for the same, and all contracts in violation of this section are declared void; and any of said persons violating the provisions of this section shall be deemed guilty of felony, and upon conviction may be punished accordingly.

SEC. 10. The Chief Engineer shall be the executive officer of said Fire Department, and it shall be his duty (and that of the Assistant Engineers) to see that the laws, orders, rules, and regulations concerning the same are carried into effect, and also to attend to such duties as Fire Wardens as may be required, and to see that all laws, orders, and regulations established in said city and county to secure protection against fire are enforced. It shall also be his duty to enforce the rules and regulations made from time to time, to secure discipline in said Fire Department, and he shall have power to suspend any officer or member for a violation of the same, and shall forthwith report the same to the Board of Fire Commissioners for their action. He shall diligently observe the condition of the apparatus and working of said Department, and shall, from time to time, report to said Board of Fire Commissioners upon the same, and make such recommendations and suggestions respecting it, and for securing its greater efficiency, as he may deem proper.

SEC. 11. The person elected as Clerk by said Board of Fire Commissioners shall, before entering upon the discharge of his duties, execute a bond in two or more sureties in the penal sum of ten thousand dollars, for the faithful discharge of his duties, which shall be approved by said Board of Fire Commissioners and the Mayor of said city and county, and when so approved shall be filed in the office of the Auditor. The amount of said bond may be increased from time to time, when directed by the Board of Supervisors, should they deem it necessary for the public good. Said Clerk shall attend daily during office hours at the office of the Board of Fire Commissioners (which shall be the office of the Chief and Assistant Engineers); shall perform the duties of Clerk to said Board and the Chief Engineer, and perform such other duties as from time to time said Board may prescribe.

SEC. 12. The Mayor of said city and county is hereby authorized to sell at private or public sale from time to time, with the approval of the Board of Supervisors, any or all of the engines, hose carriages, engine houses, lots on which such houses stand, or parts of lots (or exchange any of said lots, when in their judgment demanded by the public good), or other property which shall not be required for the use of the Department, and to execute, acknowledge, and deliver good and sufficient deeds or bills of sale for the same, paying the proceeds of such sales into the General Fund of said city and county, such proceeds to be appropriated to the purchase of lots and erection of engine houses thereon as the same may be required.

SEC. 13. The Assistant Engineers of said Fire Department and Clerk shall be allowed and paid a monthly salary of one hundred and fifty dollars each.

SEC. 14. This Act shall take effect and be in force from and after its passage.

SUPPLEMENTAL IV.—An Act in relation to Coroners in the City and County of San Francisco.—Approved March 16, 1872.

SECTION 1. Every person elected or appointed to the office of Coroner, before he shall enter upon the duties of such office, shall take the constitutional oath of office, and give an official bond in the sum of five hundred dollars.

SEC. 2. The duties of Coroner shall be: First, to hold inquest upon the bodies of persons slain, or who shall have committed suicide, or been found dead under such circumstances as to lead to a suspicion of crime committed within the county in which such Coroner resides; second, to issue process for the arrest of one charged upon inquest with murder or manslaughter; to hold inquest on the body of every prisoner who dies in jail; and it shall be the duty of the Jailor, whenever a prisoner dies in his custody, to send for the Coroner who has jurisdiction, who shall hold inquest upon the body of such prisoner. The duties of Coroners upon inquests shall not be delegated.

SEC. 3. Whenever any Coroner shall receive notice that any person has been slain, or has committed suicide, or has died suddenly, or has been found dead under such circumstances as to require an inquisition, it shall be his duty to go to the place where such person shall be, or if the body shall have been interred, shall cause it to be disinterred, and shall forthwith summon not less than nine or more than fifteen persons to serve as jurors, to appear before him forthwith at such place as he shall appoint, and make inquisition concerning such death. The Coroner must summon the jurors in person. He shall summon none but persons duly qualified by law to serve as jurors, and no such person shall be exempt except at the discretion of the Coroner. No person shall be summoned who is related to the deceased or to any person who may be suspected or charged with the killing, nor shall any one be summoned who is known to be prejudiced for or against him; but the jurors who are selected and appear shall not be challenged by any party.

SEC. 4. Every person summoned as a juror who shall fail to appear without having a reasonable excuse, shall forfeit a sum not exceeding the sum of two hundred dollars, to be recovered by the Coroner, in the name of the People of the State, before any Justice of the Peace in the proper township, and when collected to be paid into the county treasury for the use of the county.

SEC. 5. When six or more of the jurors attend they shall be sworn by the Coroner and charged by him to inquire how and in what manner and when and where such person came to his death, and who such person was, and into all the circumstances attending such death, and to make a true inquisition according to the evidence offered to them or arising from the inspection of the body.

SEC. 6. There shall be but one inquest upon a body, unless that taken be set aside by the Court; and there shall be but one inquest held upon several bodies of persons who were killed by the same cause and who died at the same time. Whenever it shall appear that an error in the identity of the body has been made by the jury, it shall be discretionary with the Coroner to call another inquest upon the body without reference to the Court, and a memorandum of the error shall be entered upon the erroneous inquisition.

SEC. 7. After the jury have been sworn and charged by the Coroner, they shall go together with the Coroner to view and examine the body of the deceased person. They shall not proceed upon the inquest until they have so viewed the body. After the jury have viewed the body they may retire to any convenient place to hear the testimony of witnesses and deliberate upon their verdict. For this end the Coroner may adjourn the inquest from time to time, as may be necessary.

SEC. 8. The Coroner may issue subpoenas for witnesses, returnable forthwith or at such time and place as he may appoint therein, which may be served by any competent person by reading the same to the witness or informing him or her of the contents thereof, and such witness shall not be entitled to any fee for attendance. Every person served with such subpoena shall be liable to the same penalties for disobedience thereto, and his attendance may be enforced in like manner, as in case of subpoenas issued by a Justice of the Peace.

SEC. 9. The Coroner shall summon and examine as witnesses every person who, in his opinion or that of the jury, has any knowledge of the facts, and he may summon a surgeon or physician to inspect the body and to give a professional opinion as to the cause of death; and if it shall be necessary, the Coroner may cause a *post-mortem* examination or chemical analysis to be made, and the expense of such examination or analysis shall be a county charge, to be fixed by the Board of Supervisors.

SEC. 10. Witnesses produced shall be sworn by the Coroner, and the whole of the testimony shall be reduced to writing by the Coroner, or under his direction, and signed by the witnesses in the presence of the jury, and each deposition shall have a jurat attached. The jury, after hearing all the testimony offered before them, shall retire as jurors in other cases and deliberate upon their verdict, suffering no one, not even the Coroner, to mingle with them in their deliberations; but they may, as in the case of jurors in the Courts of law, take the opinion of the Coroner upon any question of law that may arise upon the investigation.

SEC. 11. The Coroner may call upon the District Attorney to assist him in the examination of witnesses, and the jurors may put any proper question to the witness, but the party suspected or charged with the crime shall have no right to produce witnesses on the inquest, or to cross-examine those produced on behalf of the people by himself or counsel; nor shall it be necessary that he be present during the examination. But it shall be the duty of the Coroner to examine any witness who he may have reason to believe may know anything concerning the matter pertinent to the inquiry, and to put to any witness any proper and pertinent question that such person may desire. Such party suspected or charged, however, may be attended by counsel on the inquest, to advise with him as to his right in answering any question that may be put to him when under examination. If the party accused of the crime be present at the inquest, and is then charged with the crime, or the testimony tends to criminate him, and he is called upon by the Coroner to testify, it is the duty of the Coroner first to inform the accused that he is at liberty to refuse to answer any question that he may put to him, otherwise his answer on such examination cannot be read in evidence against him when on trial for the offense. But if such person is not under arrest or charged with the crime, his answer may be given in evidence against him on his subsequent trial for the crime charged, though the Coroner may not have so advised him of his rights. The jury must hear all the evidence offered before them, whether it be in favor of or against any party suspected of the killing.

SEC. 12. Upon the investigation the Coroner's jury shall not be limited in their inquiry like a jury upon the trial of one charged with a crime, their duties shall be to determine if a crime has or has not been committed; and if a crime has been committed, who perpetrated or caused the same to be perpetrated, and all the circumstances attending it; and any proper testimony tending in any degree to throw light upon the subject may be properly given. Matters of opinion, except of professional witnesses, or hearsay evidence, shall not be permitted.

SEC. 13. When the jury shall have agreed upon a verdict they shall reduce their inquisition to writing, which writing shall show before what Coroner the same was taken, and that the same was taken upon the oath of good and lawful men of the county who were first duly sworn; and it must also show by whom and when the same was executed. They shall also find and certify how or in what manner and when and where the person so dead came to his death, and all the circumstances attending such death; and if a crime has been committed in the case, who were guilty thereof, either as principal or accessory, and in what manner. The jury shall not be required to find who were accessories after the fact—only those before the fact. If the person who is found dead is unknown, or the person who caused the death is unknown, the jury shall

so find; and they shall find, if the fact so appears before them, whether the killing was accidental or suicide, murder or manslaughter, excusable or justifiable homicide; and if the manner of the death is unknown they shall so state. Such inquisitions shall be signed by such jurors, and the Coroner shall certify the fact that the inquest was held, and indorse under the verdict his approval or non-approval of the same.

SEC. 14. It shall not be necessary that the jury should be kept together until they have agreed upon a verdict. If there shall appear any irreconcilable opinion as to any material fact concerning which they are to make inquest, the jurors agreeing may find accordingly, and two or more inquisitions may be presented.

SEC. 15. If the jury find that any murder or manslaughter has been committed, the Coroner shall bind over the witnesses against the accused to appear and testify at the next Court or Grand Jury, or before any Court in which an indictment for such offense can be found and triable that shall be held in the county, and obey all orders of said Court in the premises. Such recognizances shall be in writing, and shall be subscribed by the parties to be bound thereby. Said recognizances shall be made payable to the People of the State of California. The amount of the same shall be fixed by the Coroner, County Judge, or by the District Attorney, and approved by the County Judge or any of the Judges of a Court of Record; and in case of their refusal to sign such recognizance, the Coroner shall have power to commit such witness as in the case of examination of criminals by a magistrate.

SEC. 16. The testimony of all witnesses examined before a Coroner's jury, together with the inquisition of the jury, and all recognizances taken by such Coroner, shall be returned by him forthwith to the County Clerk of his county.

SEC. 17. The Coroner shall have the same power on all investigations or inquests as are allowed by law to Judges of Courts of Record in this State to preserve order in the matter of investigations before him; and for any disrespect shown toward him or contempt of his authority in his investigations by any juror, witness, or other persons, he shall have power to issue an order for the arrest of said person or persons, and forthwith to have such person or persons brought before the Police Judge or County Judge of his county, to be punished according to law.

SEC. 18. Any juror, witness, or other person summoned as juror, witness, or any other person who may be in attendance on any official investigation, who shall use any disrespectful language toward said Coroner, or behave disrespectfully toward said Coroner in his presence, shall be declared guilty of contempt, and shall be liable to pay a fine not to exceed one hundred dollars, or be imprisoned in the County Jail of said county not to exceed sixty days; said imprisonment to be enforced by any of the magistrates named in the preceding section, upon the warrant of the Coroner, as provided for in the last section.

SEC. 19. If the Coroner's jury find that any murder or manslaughter has been committed, and the person charged with such offense be not in custody, the Coroner shall have power to issue process for the arrest of the person charged. The warrant of arrest must be under the hand of the Coroner, and must recite the finding of the jury upon the inquest, and be directed to the Sheriff, or to any Constable, Marshal, or Policeman of the county, and commanding the officer to whom it shall be directed forthwith to take the person accused of having committed such offense, and to bring him before a committing magistrate, to be dealt with according to law. The warrant of the Coroner shall be served in the same manner and in the same places as criminal process issued by a Justice of the Peace in any county of the State, without indorsement by a magistrate of such county.

SEC. 20. When the inquest shall be held by the Coroner, and there shall be no friends to take charge of the body of the deceased, it shall be the duty of the Coroner, after the same has been viewed by him and the jury, to see that it is properly buried, and for that purpose he shall immediately give notice to the person or firm having the contract for the burial of the indigent dead, for burial of the body, and it shall be buried by him under the provisions of said contract.—[Amendment March 30, 1874.]

SEC. 21. It shall be the duty of the Coroner to take charge of all money and other valuable things which may be found with or upon the bodies of persons on whom inquests shall be held when there is no other person legally entitled to take charge of the same; and he shall forthwith make out and enter in a book to be kept in his office, open to public inspection, a full and complete inventory of all money, and every article or thing of value found with or upon said deceased, and he shall also make an entry in said book, of any note or memorandum found upon said deceased that may tend, in any way, in the future to identify said person. Said Coroner shall, within thirty days after the holding of such inquest, deliver over to the Treasurer of said city and county, all such money or valuable things which have not been claimed by legal representatives of the deceased or the Public Administrator. Said Coroner shall also keep in his office another book, open to public inspection, in which he shall enter a full description of every article and thing, and all money found with or upon the bodies of deceased persons, or belonging to said deceased persons, that may come into his possession, before he delivers up, or permits the same to go out of his possession; and no money, article, thing, or property of any nature or kind, shall be delivered to any person, until the same shall have been entered in said book as aforesaid, and signed in the presence of said Coroner by the person receiving the same.—[Amendment March 30, 1874.]

SEC. 22. For a failure on the part of the Coroner to perform such duty required by the last section, or any of the duties required by this Act, he shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine not exceeding five thousand dollars, or imprisonment in the County Jail not to exceed one year, and shall be liable on his official bond for any and all moneys, chattels, and property which shall be found on said deceased, and which shall or may come into his possession belonging to said deceased; the same to be recovered in the name of any party who may be entitled to recover the same in any Court having jurisdiction thereof.

SEC. 23. Upon the delivery of money so found to the Treasurer, he shall place it to the credit of the county. If other property, and perishable in its nature, he shall within thirty days sell the same at public auction, upon reasonable public notice, and shall in like manner place the proceeds to the credit of the county. Other property shall only be sold upon the order of the County Judge. If the said money or property in the treasury be demanded within six years by the legal representative of the deceased, the Treasurer shall, upon legal showing, after deducting the fees and expenses of the Coroner and of the county in relation to the matter, pay the balance thereof to such legal representative.

SEC. 24. Before auditing and allowing the accounts of the Coroner, the Supervisors of the county shall require a statement from him in writing, containing an inventory of all money and other valuables found with or upon all persons upon whom inquests shall have been held, and the manner in which the same has been disposed of, verified by the oath or affirmation of the Coroner making the same that such statement is in all respects just and true, and that the money and other articles mentioned therein have been delivered to the Treasurer of the county, or to the legal representatives of such person or persons.

SEC. 25. The Coroner shall perform the duties of Sheriff in all cases when the Sheriff is interested or otherwise incapacitated from serving. Whenever the Coroner acts as Sheriff he shall possess the powers and perform all the duties of the Sheriff, and shall be entitled to the same fees as are allowed by law to the Sheriff for similar services.

SEC. 26. If the office of Coroner be vacant, or he be absent or unable to attend, the duties of his office may be performed by any Justice of the Peace of the county, with the like authority and subject to the same obligations and penalties as the Coroner.

SEC. 27. The Coroner of the City and County of San Francisco, in addition to the duties imposed by this Act upon every Coroner, shall keep a record of all inquests held by him, with a copy of all testimony and the inquisition of the juries in full; and in case of loss of the original records, the same shall be admissible in evidence with like effect as the original would have been.

SEC. 28. The Coroner of said city and county shall be authorized to appoint a Clerk, who shall be sworn to act as Deputy Coroner in all matters, except those duties on inquests which have been forbidden to be delegated by this Act. The salary of said Clerk shall not exceed one hundred and fifty dollars per month, which shall be paid from the Special Fee Fund of the said city and county. The Coroner of said city and county shall be authorized to appoint a Messenger, whose duty it shall be to have charge of the dead wagon, keep in order the Morgue, and perform such other duties as are required by the Coroner or his Deputy in connection with the duties of his office. He shall receive a salary not to exceed seventy-five dollars per month, to be paid in like manner as that of the Coroner's Clerk.

SEC. 29. The Board of Supervisors of City and County of San Francisco are hereby authorized to provide a suitable office and jury room and Dead House or Morgue, with the furniture necessary to enable the Coroner to officially discharge the duties of his office and to make the necessary appropriation therefor. They are further authorized to audit and pay, for the necessary expenses of maintaining the Morgue and offices attached, such sum as may be necessary, not to exceed seventy-five dollars per month, to be paid out of the General Fund.

SEC. 30. The Coroner of the City and County of San Francisco shall receive no fees for any services rendered by him, but he shall in lieu thereof receive a salary of four thousand dollars per annum, payable in like manner as other county officers within said county, to be audited by the Auditor and paid out of the same fund provided for in the city and county treasury as in the cases of other officers in said city and county.

SEC. 31. All Acts or parts of Acts in conflict with the provisions of this Act, so far as they conflict, are hereby repealed. This Act shall apply only to the City and County of San Francisco.

ARTICLE II.

SEC. 15. The Department of Police of said city and county shall be under the direction of the Chief of Police, in subjection to the laws of this State, and the rules and regulations not in conflict therewith, which may be established by competent authority under the powers granted in this Act. In the suppression of any riot, public tumult, disturbances of the public peace, or organized resistance against the laws of public authorities, in the lawful exercise of their functions, he shall have all the powers that now are or may hereafter be conferred upon Sheriffs by the laws of this State; and his lawful orders shall be promptly executed by all Police Officers,

SEC. 16. In case of his necessary absence from his office it shall be made known to the Police Officer in attendance where he can be found, if needed; and he shall not absent himself from the city and county without urgent necessity and leave obtained in writing from the President of the Board of Supervisors, Police Judge, and County Judge, or two of them, who shall at the time of granting the same appoint a person to act during his absence, with all his powers, duties, and obligations. If such absence from the city or county be on any other than business immediately connected with his office, he shall lose his salary for the time of such absence, of which account shall be taken by the Police Judge.

ARTICLE IV.

PUBLIC STREETS AND HIGHWAYS.

[Sections 36-64, inclusive, of the original Act are repealed by the following, which is substituted therefor]:

An Act repealing Article Fourth of an Act entitled "An Act to repeal the several Charters of the City of San Francisco, to establish the Boundaries of the City and County of San Francisco, and to consolidate the Government thereof," approved the nineteenth day of April, eighteen hundred and fifty-six, and all Acts and parts of Acts amendatory thereof and supplementary thereto, and substituting this Act for said Article Four.—Approved April 1, 1872.

SECTION 1. All the streets, lanes, alleys, places, or courts, as laid down in the map now in the office of the City and County Surveyor of the City and County of San Francisco, which was made official by the Board of Supervisors of said city and county, as per order number six hundred and eighty-four, January thirtieth, eighteen hundred and sixty-six, signed by George C. Potter and Thaddeus R. Brooks, and on the map now in the office of the said City and County Surveyor, which was made official by the said Board of Supervisors, as per order number nine hundred and sixty-six, October twenty-fifth, eighteen hundred and seventy, and all other streets, lanes, alleys, places, or courts now dedicated or open to public use, are hereby declared to be open public streets, lanes, alleys, places, or courts, for the purpose of this law, and the said Board of Supervisors are hereby invested with jurisdiction to order any of the work mentioned in section three of this Act, to be done on any of said streets, lanes, alleys, places, or courts, when the grade and width of said streets, lanes, alleys, places, or courts have been officially established, and for the purpose of this Act the grade of all intermediate or intersecting streets, lanes, alleys, places, or courts, in any one block, shall conform to the grades as established of the crossing of the main streets.

SEC. 2. All streets, lanes, alleys, places, or courts, now open or which may hereafter be open to public use, shall be deemed and held to be open public streets, lanes, alleys, places, or courts, for the purposes of this Act, and the Board of Supervisors shall have the same jurisdiction to order work to be done thereon as is conferred upon them by section one of this Act.

SEC. 3. The Board of Supervisors are hereby authorized and empowered to order the whole or any portion of the said streets, lanes, alleys, places, or courts, graded or regraded to the official grade, planked or replanked, paved or repaved, macadamized or remacadamized, piled or repiled, capped or recapped, and to order sidewalks, sewers, cesspools, manholes, culverts, curbing, and crosswalks to be constructed, and to order any other work to be done which shall be necessary to make and complete the whole or any portion of said streets, lanes, alleys, places, or courts, and they may order any of the said work to be improved. The work provided for in this Act shall not be deemed to be "specific improvements," within the meaning of section sixty-eight, Article V, of chapter one hundred and twenty-five of the Act entitled "An Act to repeal the several Charters of the City and County of San Francisco, and to Establish the Boundaries of the City and County of San Francisco, and to Consolidate the Government thereof," approved April nineteenth, eighteen hundred and fifty-six, nor shall the ordinances or resolutions passed by the Board of Supervisors under the provisions of this Act be deemed to be such ordinances or resolutions as are mentioned in said section sixty-eight.

SEC. 4. The Board of Supervisors may order any work authorized by section three of this Act to be done* after notice of their intentions so to do, in the form of a resolution, describing the work, and signed by the Clerk of said Board of Supervisors, has been published for the period of ten days in the paper doing the printing under this law, and also in two daily newspapers, one of which newspapers shall be published as a morning edition, and one as an evening edition, printed and published in said city and county for ten days, Sundays and non-judicial days excepted: *provided*, that no such notice shall be given or order made for the grading of any street mentioned in section three of this Act, unless the majority of the frontage of the lots and land fronting on the work proposed to be done, and described in said resolution, or which is to be made liable for such grading, except public property, shall have been represented by the owners thereof, or by their agents, in a petition to the said Board of Supervisors, stating that they are the owners and in possession, or agents of the lots named in the petition, and also requesting that such improvements or street work shall be done; and for any other character of street improvements the Board of Supervisors shall have power, without petition of the property owners, to give the notice prescribed in this section to be published in the manner hereinbefore provided, and to order the said work to be done. All owners of lands or lots or portions of lots who may feel aggrieved, or have objections to the ordering of the work described in said notice, or who may have objections to any of the subsequent proceedings of the said Board of Supervisors in relation to the work mentioned in such notices of intention, or may have any objections to any of the acts of the Superintendent of Public Streets, Highways, and Squares, of the City and County of San Francisco, in the discharge of any of the obligations or duties imposed upon him by virtue of his office, shall file with the Clerk of the said Board of Super-

* Whenever street work or grading of any street or part thereof may be deemed necessary by the Board of Supervisors of the City and County of San Francisco, on a portion of any street in front of any lot owned or possessed by the Government of the United States, said Board shall have power to order the whole or any portion of such street in front of any such lot to be graded, paved, planked, or repaired, any law to the contrary notwithstanding.—[Act March 31, 1866.]

isors a petition or remonstrance, wherein they shall set forth in what respect they feel aggrieved, or the acts or proceedings to which they object, which petition or remonstrance shall be passed upon by said Board of Supervisors, and their decision thereon shall be final and conclusive; but said Board of Supervisors shall not order the work described in said notices to be done unless all objections and protests that may have been presented and filed as aforesaid shall have been by them disposed of. Should the owners or agents of more than one half in frontage of the lots and lands fronting on the work proposed to be done and designated in said notice or resolution, or liable to be assessed for work, file with the Clerk of the Board of Supervisors written objections against any grading described in said notice, at any time before the expiration of the publication of said notice of intention and his publication thereof as hereinbefore provided, then and thereupon the said Board of Supervisors shall be barred from proceeding further for the period of six months; and the said Board of Supervisors shall not renew the notice of intention for doing any grading so protested against within six months, unless the owners or agents of a majority of the frontage of the lots and lands fronting on said grading or liable to be assessed therefor as aforesaid, shall petition anew for the work to be done. At the expiration of any notice of intention, the Board of Supervisors shall be deemed to have acquired jurisdiction to order any work to be done which is authorized by section three of this Act, except as hereinbefore provided; and it is further provided, that where any public street shall have been graded, or graded and macadamized, or graded and paved, for the distance of two or more blocks upon each side thereof of any one or more blocks or crossing of a street which is not improved, it shall be the duty of the Board of Supervisors, upon the recommendation of the Superintendent of Public Streets, Highways, and Squares, to order the notice provided in this section to be given without the petition provided first aforesaid; and if the owners of three-fourths of the frontage of the land and lots fronting on such portions of said streets to be graded or improved shall, within the time prescribed in said notice, file written objections to the improvement of the said street, the Board of Supervisors shall duly consider said objections before ordering said work; and if said Board of Supervisors shall decide and declare by an entry in the minutes of said Board of Supervisors that the objections so made are not good, thereupon the Board of Supervisors shall be deemed to have acquired jurisdiction to order any such street work to be done that is prescribed in said notice and in section three of this Act: provided further, that when one half or more of the grading, planking, macadamizing, paving, sidewalk, or sewerage of any one street lying between two main street crossings has been already performed, the Board of Supervisors may order the remainder of such grading, planking, macadamizing, paving, sidewalk, or sewerage to be done, notwithstanding the objections of any or all of the property owners.

SEC. 5. The owners of more than one half in frontage of lots and lands fronting on any street, lane, alley, place, or court, mentioned in sections one and two of this Act, or their duly authorized agents, may petition the said Board of Supervisors to order any of the work mentioned in section three of this Act to be done. And the said Board of Supervisors may order the work mentioned in said petition to be done, after notice of their intention so to do has been published, as provided in section four of this Act. No order or permission shall be given to grade or pile and cap any street, lane, alley, place, or court, in the first instance, or any portion thereof, without extending and completing the same throughout the whole width of such street, lane, alley, place, or court. When any such work has heretofore been done, or when any such work shall hereafter be done, in violation of this section, neither the lots or portions of lots, in front of which such work has been or may be done hereafter, nor the owners thereof, shall be exempt from assessment made for the payment of the work afterwards done to complete said street, lane, alley, place, or court, to its full width, as provided in section eight of this Act.

SEC. 6. Before the awarding of any contract by the Board of Supervisors for doing any work authorized by section three of this Act, the Clerk of the Board of Supervisors shall cause notice to be conspicuously posted in the office of the Superintendent of Public Streets, Highways, and Squares, and also published for five days, inviting sealed proposals for the work contemplated, which notice shall specify the time within which said work is to be performed, and shall contain specifications to be furnished by said Superintendent of Public Streets, Highways, and Squares, substantially in the manner now adopted by the said Clerk of said Board of Supervisors; and all notices, resolutions, and orders required to be posted or published, under the provisions of this law, shall be posted or published, or both posted and published, as the law may require, by said Clerk, as a matter of course, and without any special direction or authority from the said Board of Supervisors. Prior to the publication of the notice hereinbefore provided, the Superintendent of Public Streets, Highways, and Squares shall furnish specifications for the performance of any and all street work ordered by the Board of Supervisors, and authorized by section three of this Act, in which specifications shall be given and the time within which the contract must be completed. All proposals shall be delivered to the Clerk of the Board of Supervisors, and said Board of Supervisors shall, in open session, open, examine, and publicly declare the same, and shall award said work to the lowest responsible bidder; and all bids shall be for a price payable in gold coin of the United States: provided, said Board of Supervisors may reject any and all bids, should they deem it for the public good, and also may reject the bid of any party who may be proved delinquent or unfaithful in any former contract with said city and county. And if all bids shall be rejected, the said Board of Supervisors shall direct

the Clerk of said Board of Supervisors to again post said notice, and publish the same, as in the first instance. All proposals shall be accompanied with a check, payable at sight, on a bank or banking house in said city and county, duly certified, for the sum of five hundred dollars, United States gold coin, payable to the order of the Clerk of the Board of Supervisors, and to be approved by him; and if the bidder, to whom the contract was awarded, shall, for ten days thereafter, fail or neglect to enter into a contract as hereinafter provided, and to commence said work within five days thereafter, it shall be the duty of said Superintendent of Public Streets, Highways, and Squares to certify such failure on the part of said bidder to the Clerk of the Board of Supervisors, who shall thereupon draw the money due on said check and pay it over to the Treasurer of the City and County of San Francisco, to be by him placed to the credit of the Street Department Fund. *It is further provided*, that all persons, owners included, who shall fail to enter into any contract as herein provided, or to complete the contracts entered into, are hereby prohibited from bidding a second time for the same work; and in case of owners, they are hereby prohibited from electing to take the same work a second time, and from entering into any contract concerning the same. Notice of such award shall be published for three days (Sundays and non-judicial days excepted), and within five days after the first publication of said award, the owners of a majority of the frontage of lots and lands liable to be assessed for said work or their agents, and who shall make oath that they are such owners or the agents of such owners, may elect to do the said work, and enter into a written contract to do the whole work at the price for which the same is awarded, upon giving the bond, as hereinafter provided; and they shall commence said work within fifteen days from the first publication last abovementioned, and shall prosecute it diligently and continuously and complete it within the time limited in the contract, or within any extended time; but should the said contractor or the property owners fail to prosecute the same diligently or continuously, in the judgment of the said Superintendent of Public Streets, Highways, and Squares, or complete it within the time prescribed in the contract or within such extended time, then it shall be the duty of said Superintendent of Public Streets, Highways, and Squares to report the same to the Board of Supervisors, who shall, without further petition on behalf of the property owners, order the Clerk of the Board of Supervisors to advertise for bids, as in the first instance, and relet the contract in the manner hereinbefore provided. *And it is further provided*, that all contractors for street work shall, at the time of entering into said contract, execute a bond payable to the City and County of San Francisco, with two or more sureties, in the sum of not less than one thousand dollars, and in such additional amount as may be fixed by said Superintendent of Public Streets, Highways, and Squares, conditioned for the faithful performance of said contract; and said sureties shall justify in double the amount of the penalty fixed in said bond; such sureties to justify before said Superintendent of Public Streets, Highways, and Squares, or his Deputy, and the qualifications and responsibility for such sureties shall be the same as are now prescribed for sureties on the official bonds of the officers of said City and County of San Francisco. *And it is further provided*, that all contractors for street work, at the time of entering into contract, and giving the bond as hereinbefore provided shall, in addition, execute a proper bond, with two good and sufficient sureties, who must be freeholders of said City and County of San Francisco, in the sum of five hundred dollars (said sureties to justify in double the amount), conditioned, that in case of the non-fulfillment of the contract, said sum shall be sued for and collected, as liquidated damages to said City and County of San Francisco, for such failure and neglect; and it shall be the duty of the City and County Attorney to sue for and collect said sum in any Court of competent jurisdiction, and pay the same into the city and county treasury to the credit of the Street Department Fund.

SEC. 7. The Superintendent of Public Streets, Highways, and Squares is hereby authorized in his official capacity to enter into all written contracts, and to receipt all bonds authorized by this Act, and to do any other acts, either express or implied, that pertain to the Street Department under this Act; and said Superintendent of Public Streets, Highways, and Squares shall fix the time for the commencement and completion of the work under all contracts entered into by him, and may extend the time so fixed from time to time, under the direction of the Board of Supervisors; and it shall be the duty of the Superintendent of Public Streets, Highways, and Squares, on the execution of a contract to perform street work or on the passage of a resolution by the Board of Supervisors directing an extension of time to be granted to complete a contract, to cause the same to be recorded in the office of the County Recorder of the City and County of San Francisco, and in issuing a certificate of an extension of time to be recorded, and to specify in the same the number of the resolution of the Board of Supervisors, the date thereof, and the number of days granted for completion of the contract, a general description of the work, with the date of indorsement of said extension upon the original contract; and prior to the execution of a contract, and prior to granting or indorsing upon a contract as aforesaid any extension of time, to collect from said contractor or his assigns the sum of three dollars for each contract, and the sum of fifty cents for each and every extension of time. And the County Recorder of the City and County of San Francisco shall cause books of record to be prepared, to be entitled "Record of Street Contracts," in which all contracts for the performance of street work, and all extensions of time granted by the Board of Supervisors, as certified to by the Superintendent of Public Streets, Highways, and Squares shall be recorded; said books to be properly arranged and indexed, so as to facilitate reference

thereto; and for each contract so recorded said County Recorder of the City and County of San Francisco shall charge and collect the sum of three dollars, and for each extension of time the sum of fifty cents; and in all cases where said Superintendent of [Public] Streets, Highways, and Squares, under the direction of said Board of Supervisors, has extended the time for the performance of contracts, the same shall be held to have been legally extended. The work provided for in section three of this Act must in all cases be done under the direction and to the satisfaction of the Superintendent of Public Streets, Highways, and Squares, and the materials used shall be such as are required by the said Superintendent of Public Streets, Highways, and Squares; and all contracts made therefor must contain this condition and also express notice that in no case (except where it is otherwise provided in this Act) will the City and County of San Francisco be liable for any portion of the expense, nor for any delinquency for persons or property assessed. The assessment and apportionment of the expenses of all such work in the mode herein provided shall be made by the said Superintendent of Public Streets, Highways, and Squares.

SEC. 8. Subdivision One—The expenses incurred for any work authorized by section three of this Act shall be assessed upon the lots and lands fronting thereon, except as hereinbefore specially provided; each lot or portion of lot being separately assessed in proportion to its frontage, at a rate per front foot sufficient to cover the total expense of the work.

Subdivision Two—The expense of all improvements (except such as done by contractors under the provisions of section fourteen of this Act) until the streets, street crossings, lanes, alleys, places, or courts are formally accepted, as provided in section twenty-one of this Act, shall be assessed upon the lots and lands as provided in this section, according to the nature and character of the work, and after such acceptance the expense of all work thereafter done thereon shall be paid by said City and County of San Francisco out of the Street Department Fund.

Subdivision Three—The expenses of work done on main street crossings, except such as are provided for in subdivision eight of this section, shall be assessed upon the four quarter blocks adjoining and cornering on the crossings; and each lot or part of lot, in such quarter blocks, fronting on such main street, shall be separately assessed, according to its proportion of frontage on said main street.

Subdivision Four—Where a street terminates at right angles in another main street, the expense of the work done on one half the width of the street opposite the termination shall be assessed upon the lots in each of the two quarter blocks adjoining and cornering on the same, according to the frontage of such lots on said main streets, and the expense of the other half of the width of the said street, upon the lots fronting on the latter half of the street opposite such termination.

Subdivision Five—Where any small or subdivision street crosses a main street, the expense of all work done on said crossing shall be assessed on all the lots or portions of lots half way on said small streets, to the next crossing or intersection, or [to] the end of said small or subdivision street, if it does not meet another.

Subdivision Six—The expense of work done on the small or subdivision street crossings, shall be assessed on the lots fronting upon such small streets on each side thereof, in all directions, half way to the next street, place, or court, on either side, respectively, or to the end of such street, if it does not meet another.

Subdivision Seven—When a small street, lane, alley, place, or court terminates in another street, lane, alley, place, or court, the expense of the work done on one half the width of the street, lane, alley, place, or court, opposite the termination, shall be assessed upon the lots fronting on such small street, lane, alley, place, or court so terminating, according to its frontage thereon, half way on each side, respectively, to the next street, lane, alley, place, or court, or to the end of such street, lane, alley, place, or court, if it does not meet another, and the other half of the width upon the lots fronting such termination.

Subdivision Eight—The maps now in the office of the Superintendent of Public Streets, Highways, and Squares, showing the street crossings or spaces formed or made by the junction or intersection of other streets with Market Street, other than at right angles; also showing other street crossings adjoining fractional or irregular blocks (all of which crossings or spaces are colored on said maps, and numbered from three to one hundred and fifty, inclusive) and heretofore certified by said Superintendent of Public Streets, Highways, and Squares—one adopted by a resolution of the Board of Supervisors (number fifteen hundred and seventy-eight), approved on the sixteenth day of December, eighteen hundred and sixty-one, and the other adopted by a resolution of the said Board of Supervisors (number three thousand two hundred and eighty-four), approved on the twenty-first day of March, eighteen hundred and sixty-four, which resolutions are copied on the face of said maps, respectively—shall be deemed and held to be official maps for the purposes of this Act, and the same are hereby approved; and the expenses incurred for the work done on the said crossings or spaces formed by the junction or intersection of East Street with Market Street, and of other streets with Market Street, and not squarely in front of, and not properly assessable to, lots fronting on such streets, and for the work done on said other street crossings and spaces, all of which are colored on said maps, shall be assessed on the contiguous adjacent and neighboring irregular or quarter blocks or lots of land which are of the same color as the crossings or spaces, and which have a num-

her thereon corresponding with the number of the crossing or space on which the work has been done.

Subdivision Nine—In all the streets constituting the water front of the City and County of San Francisco or bounded on one side by the property of the said City and County of San Francisco, or crossings cornering thereon, or on the water front, the expense of the work done on that portion of said streets, from the center line thereof to the said water front or to such property of the City and County of San Francisco bounded thereon and one fourth of their crossings, shall be provided for by the said City and County of San Francisco; but no contract for any such work will be given out except to the lowest responsible bidder after an observance of all formalities required by this Act.

Subdivision Ten—When any work mentioned in section three of this Act (sewers, manholes, cesspools, culverts, crosswalks, crossings, curbing, grading, piling, and capping excepted) is done on one side of the center line of said streets, lanes, alleys, places, or courts, the lots or portions of lots fronting on that side only in front of which said work is done, shall be assessed, to cover the expenses of said work, according to the provisions of this section.

Subdivision Eleven—The assessment made to cover the expenses of grading, mentioned in the proviso in section four of this Act, shall be assessed upon all the lands, lots, and portions of lots fronting on either side of said street, lying and being between the said main street crossings, in the manner provided in subdivision one of this section. Before any work is done under a contract to complete the grading of a partially graded street, lane, alley, place, or court, under the provisions of section four of this Act, the City and County Surveyor shall ascertain, as near as possible, the number of cubic yards of grading done previous to the letting of the contract, in front of each lot or parcel of land fronting upon the work, or any street crossing under contract, and also ascertain the number of cubic yards of grading necessary to complete the grading included in the contract, and certify such estimates to the Superintendent of Public Streets, Highways, and Squares before the completion of the work included in the contract; and when any owner of a lot or lots fronting on said partially graded street, lane or alley, place or court, or any part liable to be assessed for the work under contract, has graded a part of the same and desires credit for grading done by him previous to the publication of the notice of intention, he shall apply to and receive from the City and County Surveyor a certificate of the amount of grading done by him or those under whom he claims or deraigns title, for which he is entitled to credit, which certificate shall be recorded in the office of the Superintendent of Public Streets, Highways, and Squares (in a book to be kept for that purpose, properly indexed, so that reference may be easily had thereto) previous to the completion of the grading under contract. And for all grading done prior to the passage of this Act, the owner of a lot or lots desiring credits shall file in the office of the Superintendent of Public Streets, Highways, and Squares a certificate of the City and County Surveyor when the work was performed, showing the number of cubic yards of grading done by him or those under whom he claims or deraigns title, which certificate shall be filed and recorded in the office of the said Superintendent of Public Streets, Highways, and Squares, and shall entitle the party named or his successor in interest, to credit on the assessment for the amount specified: *provided*, no party shall be entitled to any credit in excess of his assessment: *provided, however*, that he shall not be allowed any credit at any time for any embankment made above or excavations made below the official grade; but the cost of removing such embankment or filling in such excavations shall always be charged exclusively to the owner or owners of the lot or lots of land fronting thereon, in addition to the *pro rata* rate which may be assessed to them. If the credit for grading, so certified as aforesaid, in cubic yards or measurement, equals the proportional amount of grading which such owner would be obliged to do if no grading had been done on such street, lane, alley, place, or court, then such owner and his lot or lots shall be exempted from assessment for the remaining work; and if the grading done by such owner is less than his proportional share, then the work required to be done in front of his lot or lots, according to the original profile of the land previous to any grading thereon, shall be included in the assessment; and the work certified as aforesaid to have been done by him, and at his own expense, shall be credited to him at the contract rate: *provided*, that in making the assessment to cover the expense of any work mentioned in this section, the said Superintendent of Public Streets, Highways, and Squares may deviate from its provisions, and assess such lots and lands fronting on any street, alley, lane, place, or court as he may decide liable to assessment for said work, which decision may be appealed from as hereinafter provided.

Subdivision Twelve—Section one of an Act entitled "An Act Amendatory of and Supplementary to An Act to provide Revenue for the Support of the Government of this State, approved April twenty-ninth, eighteen hundred and fifty seven," approved April nineteenth, eighteen hundred and fifty-nine, shall not be applicable to the provisions of this section, but the property therein mentioned shall be subject to the provisions of this Act and to be assessed for the work done under the provisions of this section.

Sec. 9. After the contractor of any street work has fulfilled his contract to the satisfaction of the Superintendent of Public Streets, Highways, and Squares, the said Superintendent of Public Streets, Highways, and Squares shall make an assessment to cover the sum due for the work performed and specified in such contract, including incidental expenses (if any), in conformity with the provisions of this Act and according to the character of the work done,

which assessment shall briefly refer to the contract, the work contracted for and performed, and shall allow the amount to be paid therefor, together with the incidental expenses (if any), the rate per front foot assessed, the amount of each assessment, the name of the owner of each lot or portion of lot, if known to the Superintendent of Public Streets, Highways, and Squares; if unknown, the word "unknown" shall be written opposite the number of the lot (but an assessment made to a person not the owner shall not render such assessment illegal), and the amount assessed thereon, the number of each lot or portion of lot assessed, and shall have attached thereto a diagram, exhibiting each street or street crossing, lane, alley, place, or court, on which any work has been done, and showing the relative location of each distinct lot or portion of lot to the work done, numbered to correspond with the numbers in the assessment, and showing the number of feet frontage assessed for said work, and contracted for and performed; and such assessment shall in all cases be payable in gold coin of the United States.

SEC. 10. To said assessment shall be attached a warrant, which shall be signed by the Superintendent of Public Streets, Highways, and Squares, and countersigned by the Auditor of said City and County of San Francisco, who, before countersigning it, shall examine the contract, the steps taken previous thereto, and the record of assessments, and must be satisfied that the proceedings have been legal and fair. The said warrant shall be substantially in the following form:

FORM OF WARRANT.

By virtue hereof, I [name of Superintendent], Superintendent of Public Streets Highways, and Squares of the City and County of San Francisco, in the State of California, by virtue of the authority vested in me as said Superintendent of Public Streets, Highways, and Squares, do authorize and empower [name of contractor], [his or their] agents or assigns, to demand and receive the several assessments upon the assessment and diagram hereto attached, and this shall be [his or their] warrant for the same. San Francisco [date], 18— [name of Superintendent], Superintendent of Public streets, Highways, and Squares. Countersigned by [name of Auditor], Auditor of the City and County of San Francisco.

Said warrant, assessment, and diagram shall be immediately recorded in the office of the Superintendent of Public Streets, Highways, and Squares, and when certified and so recorded, the several amounts assessed shall be a lien upon the lands, lots, or portions of lots assessed, respectively, for the period of two years from the date of said recording, unless sooner discharged; and when suit is commenced within said two years, said lien shall continue for six months after the final determination of said suit; and all assessment liens heretofore created shall continue in full force for two years from the date of the recording of said warrant, assessment, and diagram, respectively; and when suits have been or shall hereafter be commenced within said two years from the date of said recording, said liens shall continue and be in force until the end of six months from the final determination of said suits, respectively; and from and after the date of said recording of any warrant, assessment, and diagram, all persons mentioned in section twelve of this Act shall be deemed to have notice of the contents of the record thereof. After said warrant, assessment, and diagram are recorded, the same shall be delivered to the contractor, or his agent or assigns, on demand; but not until after the payment to the said Superintendent of Public Streets, Highways, and Squares of the incidental expenses not previously paid by the contractor or his assigns; and by virtue of said warrant said contractor, or his agents or assigns, shall be authorized to demand and receive the amount of the several assessments made to cover the sum due for the work specified in such contract and assessment.

SEC. 11. The contractor or his assigns, or some person in his or their behalf, shall call upon the person assessed or their agents, if they can conveniently be found, and demand payment or the amount assessed to each. If any payment be made the contractor, his assigns or some person in his or their behalf, shall receipt the same upon the assessment in presence of the person making such payment, and shall also give a separate receipt if demanded. Whenever the person so assessed or their agents cannot conveniently be found, or whenever the name of the owner of the lot is stated as "unknown" on the assessment, then the said contractor or his assigns, or some person in his or their behalf, shall publicly demand payment on the premises assessed. The warrant shall be returned to the Superintendent of Public Streets, Highways, and Squares within ten days after its date, with a return indorsed thereon, signed by the contractor or his assigns, or some person in his or their behalf, verified upon oath, stating the nature and character of the demand, and whether any of the assessments remain unpaid, in whole or in part, and the amount thereof; thereupon the Superintendent of Public Streets, Highways, and Squares shall record the return so made in the margin of the record of the warrant and assessment, and also the original contract referred to therein, if it has not already been recorded, at full length in a book to be kept for that purpose in his office, and shall sign the record. The said Superintendent of Public Streets, Highways, and Squares is authorized at any time to receive the amounts due upon any assessment list and warrant issued by him, and give a good and sufficient discharge therefor: *provided*, that no such payment so made after suit has been commenced, without the consent of the plaintiff in the action, shall operate as a complete discharge of the lien until the costs in the action shall be refunded to the plaintiff, and he may release any assessment upon the books in his office on the production to him of the receipts of the party or his assigns to whom the assessment and warrant was issued; and if any contractor

shall fail to return his warrant within the time and in the form provided in this section, he shall thenceforth have no lien upon the property assessed: *provided, however*, that in case any warrant is lost, upon proof of such loss a duplicate can be issued, upon which a return may be made with the same effect as if the original had been so returned. After the return of the assessment and warrant, as aforesaid, all amounts remaining due thereon shall draw interest at the rate of one per cent per month until paid.

SEC. 12. The owner, contractor, or his assigns, and all persons, whether named in the assessment or not, feeling aggrieved by any of the acts or determinations of the said Superintendent of Public Streets, Highways, and Squares, in relation to the acceptance of work, or to the assessment, or to any act, proceeding, matter, or thing done, suffered, or committed by him, shall, within fifteen days after the issuance of said assessments as provided, appeal to said Board of Supervisors, as provided in this section, by briefly stating their objections in writing, and filing the same with the Clerk of said Board of Supervisors. Notice of the time and place of hearing, briefly referring to the subject matters of appeal, and to the acts or determination objected to or complained of shall be published for five days, Sundays and non-judicial days excepted. The said Board of Supervisors on appeal may correct, alter, or modify said assessment, as to them shall seem just, and may annul the same, and may order a new assessment to be made in the manner by them directed, and may make any order or decision in relation to any contract or the performance thereof, or in relation to any of the acts of the contractor, or the said Superintendent of Public Streets, Highways, and Squares, prior to the date of the hearing of said appeal: and all the decisions and determinations of said Board of Supervisors shall be final and conclusive upon all parties entitled to an appeal. The said warrant, assessment, and diagram shall be held *prima facie* evidence of the regularity and correctness of the assessment, and of the prior proceedings and acts of the said Superintendent of Public Streets, Highways, and Squares, and of the regularity of all the acts and proceedings of the Board of Supervisors upon which said warrant, assessment, and diagram are based. After jurisdiction to order any work has been obtained, no irregularity in any of the subsequent proceedings shall render any assessment illegal.

SEC. 13. At any time after the period of fifteen days from the day of the date of the warrant as hereinbefore provided, or if an appeal is taken to the Board of Supervisors, as is provided in section twelve of this Act, any time after five days from the decision of said Board of Supervisors, or after the return of the warrant or assessment after the same may have been corrected, altered, or modified, as provided in section twelve of this Act (but not less than fifteen days from the date of the warrant), the contractor or his assigns may sue in his own name the owner of the land, lot, or portions of lots, assessed on the day of the date of the recording of the warrant, assessment, and diagram, or on any day thereafter during the continuance of the lien of said assessment, and recover the amount of any assessment remaining due and unpaid, with interest thereon, as hereinbefore provided. And in all cases of recovery under the provisions of this Act, the plaintiff shall recover the sum of fifteen dollars in addition to the taxable costs as attorney's fees, provided he shall waive the percentage on recovery as provided by law. Suit may be brought in any Court in said City and County of San Francisco; and in case any one or more of the items in the assessment or assessments are against owners thereof who cannot with due diligence be found, the service in each of such actions may be had, either in manner as is now prescribed by the Civil Practice Act of this State, or in manner as is prescribed by an Act of the Legislature of the State of California, entitled "An Act Supplementary to an Act entitled An Act in relation to Suits brought for the Collection of Delinquent Taxes, approved May twelfth, eighteen hundred and sixty-two;" approved March twenty-fourth, eighteen hundred and sixty-four, and the remedies therein provided are cumulative. The Court in which such suit shall be commenced shall have power to adjudge and decree a lien against the premises assessed, and to order such premises to be sold on execution or decree, as in other cases of the sale of real estate by the process of said Courts, and on appeal the Appellate Court shall be vested with the same power to adjudge and decree a lien, and to order to be sold such premises on execution or decree as is conferred on the Court from which an appeal is taken; such premises, if sold, may be redeemed as in other cases. In bringing an action to recover street assessments, the complaint need not show any of the proceedings prior to the issuance of the assessment, diagram, and certificate; but it shall be held legally sufficient if it shows the title of the Court in which the action is brought by the parties, plaintiff and defendant, the date of the issuance of the assessment, the date of the recording thereof, the book and page where recorded, a general statement of the work done, a description of the lot or lots sought to be charged with the assessments, the amounts assessed thereon, that the same remains unpaid, and the proper prayer for relief. In all suits brought to recover street assessments the proceedings therein shall be general, and regulated by the provisions of this Act; and also, when not in conflict herewith, by the Civil Practice Act of this State; but no defense shall be interposed except: First, want of jurisdiction to order work; second, that the assessment has been paid; third, fraud in the assessment, or in any of the acts or proceedings prior thereto, setting out the facts showing such fraud. It is hereby expressly provided, that nothing but gold and silver coin of the United States shall be received in payment of street assessments, and the judgment or decree in every case shall be made payable in and entered for gold coin.

SEC. 14. The Superintendent of Public Streets, Highways, and Squares may require, at his option, by notice in writing, to be delivered to them personally or left on the premises, the owners, tenants, or occupants of lots, or portions of lots, liable to be assessed for work done under the provisions of this Act, to improve forthwith any of the work mentioned in section three of this Act, in front of the property of which he is the owner, tenant, or occupant, to the center of the street, or otherwise, as the case may require, or to remove all filth, sand, earth, or dirt from the street in front of his premises, and by a like notice to be served personally upon the President or any officer of a railroad corporation or company, or to be left at the office of said corporation or company, to require such corporation or company to improve forthwith any work mentioned in this Act, which said corporation or company are required by law to do and perform; said notice to specify what improvement is required or work is to be done. After the expiration of five days the said Superintendent of Public Streets, Highways, and Squares shall be deemed to have acquired jurisdiction to contract for the doing of the work or making the improvements, or the removing of the filth, sand, earth, or dirt required by said notice. If such improvement or work of cleaning be not commenced within five days after notice given as aforesaid, and diligently and without interruption prosecuted to completion, the said Superintendent of Public Streets, Highways, and Squares may enter into a contract with any suitable person to make said improvement or to do said cleaning, at the expense of the owner, tenant, or occupant, or railroad corporation or company, as the case may be, at a reasonable price, to be determined by said Superintendent of Public Streets, Highways, and Squares; and such owner, tenant, or occupant, or railroad corporation or company, shall be liable to pay the same. After the certificate referred to in section fifteen shall have been recorded in the office of [the Superintendent of] Public Streets, Highways, and Squares, the sum contracted to be paid shall be a lien, the same as provided in section ten of this Act, and also a lien upon the franchise and property of said corporation or company, and may be enforced in the same manner as other assessments.

SEC. 15. If the expense of such improvements or removing such sand, earth, dirt, or filth, after the completion thereof, be not paid to the contractor so employed, or his agent or assignee on demand, the said contractor or his assigns shall have the right to sue the owner, tenant, or occupant, or railroad corporation or company, under the provisions of this Act, for the amount contracted to be paid, and the certificate of the Superintendent of Public Streets, Highways, and Squares that the work has been properly done, and that the charges for the same are reasonable and just, shall be *prima facie* evidence of the amount claimed for said work, and of the right of the contractor to recover the same in such action.

SEC. 16. In addition and as cumulative to the remedies above given, the Board of Supervisors shall have power, by ordinance, to prescribe the penalties that shall be incurred by any owner, tenant, occupant, or railroad corporation or company neglecting or refusing to make improvements, or remove sand, earth, dirt, or filth, as provided for in section fourteen of this Act, which fines and penalties shall be recovered for the use of the City and County of San Francisco, by prosecution, in the name of the People of the State of California, in the Police Judge's Court, of the City and County of San Francisco, which shall have jurisdiction in all such cases. All fines collected hereunder shall be paid into the treasury of the City and County of San Francisco to the credit of the Street Department Fund, at least once in each week.

SEC. 17. The person owning the fee, or the person in possession of lands, lots, or portions of lots or buildings, under claim of ownership, or exercising acts of ownership over the same, for himself, or as the administrator or guardian of the owner, or the person in whom on the day the action commenced appears the legal title to the lands by deeds, recorded in the Recorder's office in the City and County of San Francisco, shall be regarded, treated, and deemed to be the owner (for the purpose of this law), according to the intent and meaning of that word as used in this Act; and in case of property leased, possession by a tenant or lessee holding and occupying under an owner shall be deemed to be possession by such owner.

SEC. 18. The records kept by the Superintendent of Public Streets, Highways, and Squares, in conformity with the provisions of this Act, and signed by him, shall have the same force and effect as other public records; and such records or copies thereof, duly certified by said Superintendent of Public Streets, Highways, and Squares may be used in evidence with the same force and effect as the original assessments, diagrams, and warrants; the said records shall, during all office hours, be open to the inspection of any citizen wishing to examine them, free of charge.

SEC. 19. Notices in writing, which are required to be given by the Superintendent of Public Streets, Highways, and Squares, under the provisions of this Act, may be served by any Police Officer, and the fact of such service shall be verified by the oath of the person making it, taken before the Superintendent (who is hereby authorized to administer oaths), Police Judge, or any Judge or Justice of the Peace, or such notices, whether verbal or written, may be delivered by the Superintendent of Public Streets, Highways, and Squares himself, or any of his Deputies. The Superintendent of Public Streets, Highways, and Squares shall keep a record of the fact of giving such notices and proof of service.

SEC. 20. When any street or portion of a street has been or shall hereafter be constructed, to the satisfaction of the Committee on Streets, Wharves, Grades, and Public Squares of the Board of Supervisors and the said Superintendent of Public Streets, Highways, and Squares, and shall have a brick sewer or cement pipe constructed therein, under such regulations as said

The said Superintendent of Public Streets, Highways, and Squares shall keep in his office a register of all accepted streets, the same to be indexed, so that reference may be easily had thereto.

SEC. 21. The said Superintendent of Public Streets, Highways, and Squares shall keep a public office in some convenient place, to be designated by the Board of Supervisors, and his office shall be kept open as in this Act required. He shall not during his continuance in office follow any other profession or calling, but shall be required to devote himself exclusively to the duties of his office. He shall be allowed not more than eleven Deputies, to be by him appointed from time to time: three of said Deputies shall receive a salary of two hundred dollars per month each, and four of said Deputies shall receive a salary of one hundred and fifty dollars per month each, and four of said Deputies shall receive a salary of one hundred and twenty-five dollars per month each. It shall be lawful for the said Deputies to perform all or any of the duties conferred by this Act upon the Superintendent of Public Streets, Highways, and Squares, under the direction of the said Superintendent of Public Streets, Highways, and Squares, except the acceptance or approval of work done. The Superintendent of Public Streets, Highways, and Squares, or his Deputies, shall superintend and direct the clearing of all sewers in the public streets, and the expense of the same shall be paid out of the Street Department Fund in the same manner as provided for the improvement of streets that have been finally accepted as in this Act provided.

SEC. 22. It shall be the duty of said Superintendent of Public Streets, Highways, and Squares to see that the laws, orders, and regulations relative to the public streets and highways are carried into execution, and that the penalties therefor are rigidly enforced, as may be prescribed by the Board of Supervisors. It is required that he shall keep himself informed of the condition of all public streets and highways, and also of all public buildings, parks, lots, and grounds of the said city and county, as may be prescribed by the said Board of Supervisors. He shall, before entering upon the duties of his office, give bonds to the city and county in such sums as may be fixed by the said Board of Supervisors, conditioned for the faithful discharge of the duties of his office; and should said Superintendent of Public Streets, Highways, and Squares fail to see that the laws, orders, and regulations relating to the public streets and highways are carried into execution, after notice from any citizen of a violation thereof, the said Superintendent of Public Streets, Highways, and Squares and his sureties shall be liable upon his official bond to any person injured in his person or property in consequence of said official neglect.

SEC. 23. No recourse shall be had against the city and county for damage to person or property suffered or sustained by or by reason of the defective condition of any street or public highway of said city and county, whether originally existing or occasioned by construction, excavation, or embankment, or want of repair of said street or public highway, and whether such damages be occasioned by accident on said street or public highway, or by falling from or upon the same. But if any person while carefully using any street or public highway of said city and county, graded or in course of being graded, or carefully using any other street or public highway leading into or crossing the same, be injured, killed, lost, or destroyed, or any horses, animals, or other property be lost, injured, or destroyed through any defect in said street or public highway, graded or in course of being graded as aforesaid, or by reason of any excavation or embankment in or of the same, or by falling from or upon such embankment or excavation, then the person or persons upon whom the law may impose the duty either to repair such defect or to guard the public from the excavation, embankment, or grading aforesaid, and also the officer or officers through whose official neglect such defect remained unrepaired, or said excavation or embankment remain unguarded as aforesaid, shall be jointly and severally liable to the person or persons injured for the damages sustained.

He shall also keep a record of all surveys made under the provisions of section one of this Act, as in other cases. SEC. 25. All assessments hereafter to be made to cover the expense of work provided for by contracts awarded prior to the passage of this Act shall be assessed by the Superintendent of Public Streets, Highways, and Squares, in manner as is provided by the law in relation to assessments in force at the time said work was awarded. The office of the Assistant City and County Attorney is hereby abolished, and the City and County Attorney is hereby substituted for such officer for the purposes of the prosecution and collection of the assessments issued under the provisions of the Act, approved April fourth, eighteen hundred and seventy, and is invested with the same authority to commence suits and prosecute and continue all suits now pending: *provided*, that any contractor or his assigns, for whose benefit any such assessments may have been made, may, at his or their option, collect the same, in which event the City and County of San Francisco shall be liable and responsible for no part or portion of such assessment. Any assessment, diagram, and certificate, in the possession of the Superintendent of Public Streets, Highways, and Squares, or of the Tax Collector, or of the City and County Attorney, made in pursuance of the Act, approved April fourth, eighteen hundred and seventy, shall, on demand of the contractor named therein or his assigns, be delivered to him or them, as the case may be, and thereupon all moneys which have been collected on account of said assessment shall be paid to the City and County Treasurer, as provided by the Act, approved April fourth, eighteen hundred and seventy, and by the Treasurer paid over to the parties entitled thereto; such delivery of the assessment, diagram, and certificate, or either, shall terminate the liability of the City and County of San Francisco in the matter involved therein, and the reception of the assessment, diagram, and certificate, or either, shall be held to be a waiver on the part of the said contractor or his assigns of any claims whatever thereunder against said city and county. Immediately upon such delivery the said contractor and his assigns shall be fully empowered to collect such assessment in the manner herein provided for the collection of assessments made or to be made under the provisions of this Act. Whereas, The grade and width of all the small or intermediate streets, lanes, alleys, places, and courts shown on said map were deemed and held by said Board of Engineers as established at the same grade as the main streets at the point of intersection; and,

ARTICLE V.

SUPERVISORS.

SEC. 65. The Supervisors, in their respective districts, shall vigilantly observe the conduct of all public officers, and take notice of the fidelity and exactitude, or the want thereof, with which they execute their duties and obligations, especially in the collection, custody, administration, and disbursement of public funds and property; for which purpose the books, records, and official papers of all officers and magistrates of such district shall at all convenient times be open to inspection. They shall take care that the books and records of all officers in their district are kept in a legal and proper form. They shall have power, and it shall be their duty, every month, to examine the accounts of any officer of their respective districts having the collection and custody of the public funds, to examine and count over the moneys remaining in the hands of such officers; and shall note any discrepancy or defalcation that may be discovered or reasonably suspected, and report the same forthwith, together with any willful official negligence or misconduct on the part of any such officer to the President of the Board of Supervisors.

SEC. 66. At every regular session of the Board of Supervisors, before proceeding to other business, each member shall be called upon to report, orally, upon the matters specified in the preceding section; to give information of the condition of his district, in regard to public schools, streets, roads, and highways, health, police, industry, and population, and to suggest any defects he may have noticed in the laws and regulations, or the administration thereof, and the means of remedying them.

SEC. 67. The Supervisors shall meet within five days after each annual election, and also on the first Monday of January, April, July, and October of each year, and at such other times as specially required by law; or they may, for urgent reasons, be specially convoked by the President of the Board of Supervisors. A majority of all the Supervisors to be elected in the several districts shall constitute a quorum to do business; and no regulation, resolution, ordinance, or order of the Board can pass without the concurrence of a majority of all the members elected [seven votes necessary, Act March 30, 1868], but a smaller number may adjourn from day to day. All the sessions, acts, and resolutions of the Board shall be public. The President of the Board of Supervisors, elected by the city and county at large, shall preside at all the sessions of the Board, without the right to vote. In his absence, during any session, the Board shall appoint a President *pro tempore*, who shall, however, have the same vote as other members. The Board of Supervisors shall judge of election returns and qualification of its own members, and shall order and provide for holding elections in the proper districts to fill vacancies [see Sec. 6, page 876, Amendatory Act April 27, 1863] which may happen to exist more than six months previous to the next general election; at which general election such office shall be filled by election for the full term of two years. The Board of Supervisors shall determine the rules of its proceedings, keep a record of its acts and resolutions, and allow the same to be published; and the yeas and nays on any question shall, at the request of any member, be entered on its journal. The Board of Supervisors shall appoint a Clerk, with a salary of three thousand dollars a year [amended Act March 30, 1872], to hold office during the pleasure of the Board, who shall be *ex officio* Clerk of the Board of Equalization, without any additional salary as such [amended May 17, 1871], and shall be required to take the constitutional oath of office, and give bond for the faithful discharge of the duties of the office.* He shall have power to administer such oaths and affirmations, as may be required by law or the regulations or the orders of the Board, relating to any demands upon the treasury or other business connected with the government of the city and county; and shall also have power to certify and authenticate copies of all records, papers, and documents in his official custody. The powers of the Board of Supervisors are those granted in this Act, and they are prohibited to exercise any others.—[Amended April 18, 1857.]

SEC. 68. It shall be the duty of the President of the Board of Supervisors vigilantly to observe the official conduct of each Supervisor in his district, and of all public officers of the city and county, and to take note of the fidelity and exactitude, or want thereof, with which they execute their duties and obligations, especially in the collection, custody, administration, and disbursement of the public funds and property, for which purpose the books, records, and official papers of all officers and magistrates of said city and county shall, at all convenient times, be

* The Clerk of the Board is authorized to appoint an assistant with a salary of one hundred and twenty-five dollars per month.—[Act of February 14, 1866; amended March 14, 1868.] Salary increased to one hundred and fifty dollars per month.—[Act March 30, 1872.]

open to his inspection. He shall take especial care to see that the books and records of all such officers are kept in legal and proper form; and any official defalcation, or willful neglect of duty, or official misconduct, which he may have discovered, or which shall have been reported to him by any Supervisor, shall, at the earliest opportunity, be laid before the Grand Jury, in order that the officer in default may be proceeded against according to law. Every ordinance or resolution of the Board of Supervisors providing for any specific improvement, the granting of any privilege, or involving the lease or other appropriation of public property, or the expenditure of public moneys (except for sums less than five hundred dollars), or levying tax or assessment, and every ordinance or resolution imposing a new duty or penalty, shall, after its introduction in the Board, be published with the ayes and nays, in some city daily newspaper, at least five successive days before final action of the Board upon the same; and every such ordinance, after the same shall pass the Board, shall, before it takes effect, be presented to the President of the Board for his approval. If he approves he shall sign it; if not he shall return it within ten days to the Board, with his objections in writing. The Board shall then enter the objections on the journals and publish them in some city newspaper. If, at any stated meeting thereafter, two thirds of all the members elected to the Board [nine votes necessary, Act March 30, 1868] vote for such ordinance or resolution, it shall then, despite the objections of the President, become valid. Should any such ordinance or resolution not be returned by the President within ten days after he receives it, it shall become valid the same as if it had received his signature.

SEC. 69. All contracts for building* and printing† to be done for the said city and county, and ordinary supplies for the subsistence of prisoners, must be given by the Board of Supervisors to the lowest bidder offering adequate security, after due public notice, published for not less than five days in at least two newspapers in said city and county. All contracts for subsistence of prisoners must be given out annually, at a fixed price per day, not exceeding twenty-five cents *per diem*, for each person connected with the prison [amendment Act April 26, 1862]; and the advertisement for proposals to be published as aforesaid by the Board of Supervisors, shall specify each article that will be required, the quantity thereof, the quantity for each person, and the existing and probable number of persons to be supplied. SUPPLEMENTAL XXI.—*An Act to Modify and Change the Grade of Streets, etc.*—Approved March 23, 1869.

SECTION 1. The Board of Supervisors of the City and County of San Francisco are hereby authorized and empowered, upon petition of the owners of three fourths of the property to be affected thereby (said property to be ascertained and indicated by said Board of Supervisors in the manner provided in the first subdivision of section two of this Act), to change and modify the grade of any street or avenue, or any part of any street or avenue, in said city and county, as is hereinafter provided.

SEC. 2. The grade of any street or avenue, or portion of any street or avenue, the grade of which has been fixed by ordinance, shall not be altered or changed, except upon an adjustment of the benefits or damages; and the proceedings shall be as follows:

First—The Board of Supervisors, upon the receipt of a petition in conformity with the provisions of section one of this Act, shall publish in the official newspaper of said city and county a notice of their intention to make such [change]. Said notice shall be published for thirty days, and shall describe the proposed change and designate the limits within which the lots of land to be benefited shall be assessed to pay, and damages that may be awarded by reason of the change.

Second—Within twenty days after the first publication of said notice, any person claiming that he or she would sustain damage by reason of such change, shall file a petition with the County Clerk, addressed to the County Clerk, setting forth the fact of his or her ownership, the description and situation of his or her property, its market value, and the amount of damage, over and above all benefits, which he or she would sustain by reason of the proposed change, if completed, asking the appointment of Commissioners to assess such damage, which petition shall be verified by the oath of the petitioner, or his or her agent.

Third—On the filing of such petition, the said County Court shall take jurisdiction of the proceedings, and the County Clerk shall immediately give notice thereof to the President of the Board of Supervisors.

Fourth—At the expiration of the time of publication of said notice, and at the time indicated by said notice, or at such other time to which it may be continued, the County Court shall appoint three citizens, who are freeholders in said city and county and competent judges of the value of real estate therein and not interested in said proceedings as Commissioners, to assess the benefits and damages to each separate lot of land within the limits designated in the notice.

Fifth—The Commissioners shall be sworn by the County Judge to make the assessments of benefits and damages to the best of their judgment and ability, without fear or favor, and that they have no interest in the controversy nor in any of the land within the limits designated, which oath shall be filed with the County Clerk as part of the proceedings. A copy thereof and of the order of appointments, certified by the Clerk, may be delivered to said Commissioners as their authority.

Sixth—Said Commissioners shall visit and inspect the premises to be assessed and the premises for which damages are claimed, with a committee from their body, appointed for that purpose by the Board of Supervisors.

Seventh—Said Commissioners shall have power, and it is hereby made their duty, to examine, under oath, which any one of them is hereby authorized to administer, any witnesses produced before them by any party, touching the matters to be investigated, and such other witnesses as they may deem necessary to fully acquaint themselves with the actual amount of benefits and damages which will result to the respective parties interested in the proposed change.

Eighth—Said Commissioners, having determined the damage which will be sustained by each petitioner, over and above all benefits, by the completion of the proposed change, shall proceed to assess the whole amount thereof, together with the costs, charges, and expenses of the proceedings, including the compensation to the Commissioners for their services, to be taxed and allowed by the County Judge, ratably, upon the several lots of land benefited within the limits designated in said notice, so that the same shall be distributed according to the benefits produced by such change as nearly as possible.

Ninth—Said Commissioners shall make their report in writing, and shall subscribe the same and file it with the County Clerk. In their said report they shall describe each piece of property which will sustain damage, stating the amount of the damages which it will sustain, over and above all benefits; and they shall also give a brief description of each lot benefited within the designated limits, the name of the owner, if known, and the amount of benefit assessed against the same. In case the three Commissioners do not agree, the award agreed upon by any two of them shall be sufficient. On the filing of said report, the County Clerk shall notify the Board of Supervisors, in writing, of the fact, and thereupon the said Board shall, by ordinance, confirm or reject said report. If they confirm it, the grades of the streets shall be changed as contemplated, and the Clerk of the Board of Supervisors shall notify the County Court that the Board have confirmed the report. The County Court shall thereupon enter up judgment against each lot assessed for benefits, describing the same as accurately as can conveniently be done. Upon which judgment an order of sale may issue by order of the Court, commanding the Sheriff of said city and county to collect the amount therein mentioned by sale of the lot assessed, in the mode prescribed by law for the sale of real estate, the proceeds to be paid by the Sheriff to the Treasurer of the City and County of San Francisco, who shall place the same to the credit of the Street Department Fund, and the same shall be paid; and the Treasurer of said city and county shall pay the amount collected for damages into the County Court, which shall hold, invest, and distribute the same in the same manner as provided in section nineteen of an Act entitled "An Act to Declare and Regulate the Power of the Board of Supervisors of the City and County of San Francisco, to take Private Lands for certain Public Improvements, and to prescribe the Manner of its Execution," approved April fourth, eighteen hundred and sixty-four. All such judgments shall be in favor of the City and County of San Francisco, and shall be a lien upon the lot until the same is paid; but no sale shall be made nor execution issued until the County Court shall determine that said work has been completed.

SEC. 3. Before entering up judgment, the Court shall fix a day for hearing parties who may feel aggrieved by reason of any of the proceedings, but no objection shall be considered except such as are specifically set forth in writing by the parties; and all errors, omissions, and irregularities not specifically set forth shall be deemed to be waived. Any party dissatisfied may, within thirty days after judgment against him or his lot, or the order to pay the damages assessed, appeal to the Supreme Court to review the matter complained of, and the appeal shall be taken in the manner and with the same effect as prescribed in, and in all respects be in conformity to, "An Act to Declare and Regulate the Power of the Board of Supervisors of the City and County of San Francisco, to take Private Lands for certain Public Improvements, and to prescribe the Manner of its Execution," approved April fourth, eighteen hundred and sixty-four; and all subsequent proceedings shall be in conformity therewith and with the same effect.

SEC. 4. All acts and proceedings under this law shall be liberally construed, and the judgments and proceedings of the County Court shall be construed like judgments and proceedings of Courts of general jurisdiction.

SEC. 5. The Sheriff shall collect fees for the execution, in case an execution issues, as in other cases; but each party may pay to the Treasurer the amount of the judgment against him, and the Treasurer's receipt being produced to the County Court, satisfaction of the judgment shall be entered by the Clerk. The Clerk shall not charge any fees for the proceedings unless execution issue, in which case he shall be authorized to charge five dollars for each execution, to be collected by the Sheriff on the execution.

SECTION 1. The Board of City Hall Commissioners, created under and by virtue of an Act entitled "An Act to provide for the Erection of a City Hall, in the City and County of San Francisco," approved April fourth, eighteen hundred and seventy, is hereby abolished, and said Commissioners shall, forthwith, turn over and deliver to the Board of Supervisors of the City and County of San Francisco, all and singular, the site, superstructure, and material of said City Hall, as well as the books, papers, contracts, rights, privileges, and immunities, machinery, tools, and appliances, and property of every description and nature belonging to said Board of City Hall Commissioners, and from said delivery and acceptance thereof said Commissioners shall cease to exercise any official functions, and be deemed to be out of office.*

* The Act of March 30, 1874, provides that all actions against the City Hall Commissioners to recover money or damages upon acts done by them in their official capacity, except for fraud and malfeasance in office, shall be defended in the same manner as suits against the city and county, and all judgments finally obtained thereon shall be paid out of the City Hall Fund. The Act of March 30, 1874, also authorizes the Mayor and Auditor to execute all deeds for property sold under Act of April 4, 1870.

SEC. 2. Said Board of Supervisors are hereby authorized, empowered, and required to accept of and from said City Hall Commissioners, all of said property, buildings, site, materials, books, papers, and other things connected with said work, and to sign and deliver acquittances therefor, and from the time of said delivery and acceptance said Board of Supervisors shall be charged with all the duties and liabilities and invested with all the powers, rights, and authority heretofore granted to or imposed upon said City Hall Commissioners by virtue of the Act above named creating said Board of Commissioners, as fully and as effectually for the purposes herein named as if they had been the Board of Commissioners originally named in said Act.

SEC. 3. Said Board of Supervisors shall examine the condition of said works, and the contracts and liabilities of said Board, and adjust and pay the same out of the proceeds of the sale of the bonds hereinafter provided for that purpose, and they shall supervise, control, direct, and carry on said work of building said City Hall, under and in accordance with such lawful and valid contracts as now exist for that purpose, and entered into between said Commissioners and the persons who have made or are the holders or assignees of such contracts. And when the work contracted for to be done and materials to be furnished by virtue of such existing contracts shall be fully finished and completed, then they shall stop said work, and their powers shall end, save in so far as may be necessary to pay off the lawful indebtedness heretofore contracted as is herein provided, and to preserve and protect said buildings and grounds and the materials, property, books, papers, machinery, and appliances belonging to said work as connected therewith.

SEC. 4. Said Board of Supervisors are hereby authorized and directed by ordinance to cause to be issued bonds as hereinafter provided in amount, not exceeding in the aggregate the sum of seven hundred and fifty thousand dollars, and not more than shall be sufficient to pay off and discharge all liabilities, dues, and indebtedness of said Board of City Hall Commissioners and said Board of Supervisors as successors to said Commissioners, contracted or incurred in the existing unpaid contracts for labor, work, and materials in and about the work of building said City Hall as the same stood upon the day of the passage of this Act. But no new or fresh contracts, debts, or liabilities shall be undertaken or incurred by virtue of this Act than those existing at the time of the passage hereof, except such debts or liabilities as may be necessarily incurred by them in carrying out and completing said contracts already entered into as aforesaid, and in preserving and protecting said building, and not exceeding the sum of twenty-five thousand dollars.

SEC. 5. Said bonds shall be known as the "City Hall Construction Bonds." They shall be issued in sums of not less than five hundred dollars each, and shall bear interest from the date thereof until maturity, at the rate of six per cent. per annum, principal and interest payable only in United States gold coin, as they fall due at the office of the Treasurer of said city and county. The principal sum of said bonds shall be made payable twenty-five years from the first day of June, one thousand eight hundred and seventy-four, and the interest accruing on said bonds shall become due and payable in like gold coin, semi-annually, at the office of the said Treasurer, on the first Mondays of January and July of each year; said bonds shall be signed by the Mayor, the Auditor, and Treasurer of said city and county, who shall *ex officio* constitute a Board of City Hall Fund Commissioners. But before being so signed, the same shall be presented by the Mayor to the Clerk of the Board of Supervisors of the said city and county, which Clerk shall cause said bonds to be numbered, and shall register the same in numerical order, in a book to be kept for that purpose, showing the date of each bond, and the said Clerk shall thereupon deliver the same to the said Mayor, who shall sign each bond, and affix thereto the corporate seal of the said city and county, and deliver the said bonds to the said Auditor, who shall in like manner sign the same and deliver them to the Treasurer, who shall in like manner sign the same, and shall also register them in like manner as the Clerk of the said Board of Supervisors is herein directed to do. The Auditor shall take from the Treasurer a receipt for all such bonds so delivered.

SEC. 6. Coupons for the interest on each bond shall be attached thereto, which coupons shall be signed by the said Treasurer. When any such coupons shall be paid, it shall be the duty of the said Treasurer, without delay, to cancel the same, and all such canceled coupons shall be delivered to the Auditor by the Treasurer, who shall take a receipt therefor; and it shall be the duty of the Auditor to file the same in his office substantially in the same manner now and latterly observed for filing canceled coupons by said Auditor, which filing shall be by attaching the said canceled coupons in the numerical order of the bonds, and in numerical order of the coupons, to a blank or strap book to be kept for that purpose and known as the "Record of Canceled San Francisco City Hall Bonds and Coupons." Said bonds when paid shall be immediately canceled by the Treasurer and delivered by him to the Auditor, taking the receipt of the Auditor therefor, and the same shall be filed by the said Auditor in his office in the same manner that other canceled bonds are filed. The interest on all such bonds shall terminate on the maturity of the bonds, respectively.

SEC. 7. Upon the presentation to said Treasurer of said warrants certified to or issued by said Clerk of said Board of Supervisors, and countersigned by said Auditor, the said Treasurer shall issue to the holder or holders thereof said bonds to the extent of the said warrants so presented, dollar for dollar; and if it shall happen that the exact amount of the warrants presented at any one time exceeds five hundred dollars, or some multiple of five hundred dol-

lars, it shall be the duty of the said Treasurer to issue to the party presenting the same, a new warrant for the excess of the amount of the warrants presented over and above the amount of the bonds issued therefor, which said warrant so issued by said Treasurer shall, when countersigned by said Auditor, be in like manner fundable into said bonds as said warrants issued by said Clerk of said Board of Supervisors. All warrants converted by said Treasurer into bonds as aforesaid, shall be immediately canceled by said Treasurer, and delivered by him to said Auditor, taking his receipt therefor. It shall be the duty of the Auditor to file and safely keep all said canceled warrants in his office.

SEC. 8. For the purpose of paying the bonds herein provided for, and the interest thereon, it shall be the duty of the Board of Supervisors of said city and county in each year to levy a tax, to be styled "City Hall Bonds Interest Tax," sufficient to raise the amount to be paid on such bonds during each year and annually until the maturity of such bonds. The said Board of Supervisors shall also annually levy such a tax as they shall determine to be requisite for the purpose of raising funds for the liquidation of such bonds at maturity, which fund shall be styled the "City Hall Sinking Fund." The said taxes shall be levied and collected in a manner provided by law for the general taxes for municipal purposes; and when collected shall in like manner be paid to the Treasurer, who shall apply the same to the payment of said bonds as hereinafter provided.

SEC. 9. The said Treasurer is hereby authorized annually to invite proposals for the surrender of bonds issued under this Act, by advertising for at least thirty days next preceding the first Monday in February of each year, in three daily newspapers published in said city and county. The said Commissioners shall publicly open all bids received at the time and place mentioned in such advertisement, and shall apply the funds on hand for such purpose toward the payment of the bonds mentioned in such bids, giving preference to the bonds offered at the lowest percentum of their par value, but in no case shall any bid above their par value and interest be accepted. The said Treasurer shall always reserve in such advertisement the right to reject any and all proposals for the surrender of such bonds. In case a sufficient amount of such bonds shall not be offered as aforesaid to exhaust the "City Hall Sinking Fund" to a less amount than five thousand dollars, then it is hereby made the duty of said Treasurer to advertise in two newspapers, published in the City and County of San Francisco for two months, which advertisement shall state the amount in the City Hall Sinking Fund, and the numbers of the bonds, commencing with the lowest number then outstanding and numbering them in the order of their issue, which said money is set apart to pay and discharge; and if such bonds so mentioned in said advertisement shall not be presented for payment and cancellation within two months from the expiration of such publication, then such money shall remain in the treasury to discharge such bonds whenever presented; but they shall draw no interest after the end of sixty days from the last publication as aforesaid.

SEC. 10. The faith and credit of the City and County of San Francisco are hereby pledged for the redemption of the bonds provided for in this Act, and for the payment, as it falls due, of the interest thereon.

SEC. 11. All moneys now in the City Hall Fund, created by the Act heretofore mentioned, and under which said Board of City Hall Commissioners was created, and all that shall hereafter be placed in said fund, are hereby turned over to the General Fund of said city and county, but must be used in the payment of said contracts and indebtedness hereinbefore mentioned and specified, as it shall become due, and shall be applied to said object in preference to the issuing of bonds, and thereby reduce the amount of bonds to be issued under this Act to the extent of such moneys so paid into said fund.

SEC. 12. Nothing in this Act contained or in the Act referred to herein shall be construed to authorize the Board of Supervisors to make any new contracts for work or material, or in any manner to continue the work of constructing the City Hall beyond finishing up and paying off the work and materials now contracted for or already performed or delivered, or to be performed or delivered under the same.

SEC. 13. This Act shall take effect and be in force thirty days after its passage.

The Tax Collector may at any time after said taxes become delinquent collect the same by seizure and sale of any personal property owned by the delinquent, and in proceedings for that purpose must be governed by sections from three thousand seven hundred and ninety-one to three thousand seven hundred and ninety-six, inclusive, of the Political Code.

SEC. 7. On the Wednesday following the fourth Monday of September, the Tax Collector must return the said Duplicate Assessment Roll to the Auditor, who must, at the time provided in the Political Code for computing and entering the State and county taxes, add to or deduct from the valuation of the property enumerated in said Assessment Book any per centum which may have been required by the State Board of Equalization, and compute the State taxes to be paid on said personal property, and enter the same with all delinquent taxes which may appear in said book in the proper columns. After completing such computations and entries, the Auditor must annex his affidavit to said book, stating that he has truly and correctly made all reductions and additions required by the State Board of Equalization, and computed, entered, and added all the State taxes and all the delinquent city and county taxes, and the per centum due on the property therein enumerated, and return the same to the Tax Collector at the time when the Duplicate Assessment Book of taxes upon real estate is required by law to be delivered.

SEC. 8. The Tax Collector must collect said State taxes and said delinquent city and county taxes and per centum at the same time and in the same manner as he is by law required to collect other State and county taxes.

SEC. 9. The Assessor may at any time prior to the fourth Monday in October in each year specially assess any property which may have been omitted and which shall not be entered upon the regular assessment roll; and if he makes any such special assessment, he shall forthwith deliver a copy thereof, to the Tax Collector, and the original to the Auditor, who shall charge the Tax Collector with the amount of taxes due thereon, and all such special assessments shall be as valid and shall have the same force and effect as regular assessments.

SEC. 10. All the provisions of the Political Code and other laws relating to State and county revenues, except where they are in conflict with, are made part of this Act.

SEC. 11. This Act shall take effect immediately.

SUPPLEMENTAL XXXIV.—An Act to Provide Funds to be applied to the Building of a House of Correction in the City and County of San Francisco, and to authorize the Construction of such House of Correction.—Approved April 1, 1872.

SECTION 1. The Mayor, Auditor, and Treasurer of the City and County of San Francisco, by and with the consent of the Board of Supervisors of said city and county first obtained by ordinance, are hereby authorized and empowered to issue from time to time, as may be directed by the said Board of Supervisors and as may be necessary for the purposes herein named, bonds not exceeding in the aggregate the sum of one hundred and fifty thousand dollars.

SEC. 2. Said bonds shall be issued in such manner and at such times not inconsistent with the foregoing section, and made payable in the City and County of San Francisco, at the office of the Treasurer of said city and county, both principal and interest at such times, not exceeding twenty years from the time of their issuance, as the Board of Supervisors may prescribe by ordinance. The interest on said bonds shall not exceed seven per cent per annum, and shall be paid semi-annually; and both principal and interest shall be payable in United States gold coin.

SEC. 3. The said bonds shall be signed by the Mayor, Auditor, and Treasurer of the City and County of San Francisco, and shall be known as the "House of Correction Fund Bonds of the City and County of San Francisco."

SEC. 4. Said bonds shall have coupons attached to them for the semi-annual interest which may accrue upon them, signed by the Auditor of said city and county; and the faith and credit of the said City and County of San Francisco are hereby pledged for the redemption of the same and for the payment of the principal and interest thereof.

SEC. 5. Whenever said bonds or any portion of them are issued, the Treasurer and Auditor of said city and county are hereby authorized and empowered to sell the same to the highest

bidder thereof, after having first advertised the same for three consecutive weeks in three daily papers published in said city and county. All money derived from the issue and sale of said bonds shall be appropriated and used for the sole purpose of building and furnishing a House of Correction upon any property of the City and County of San Francisco, to be selected by the Board of Supervisors and approved by the Mayor, south of Twenty-sixth Street or west of New Cemetery Avenue, in the City and County of San Francisco; the style and material thereof, the construction and all contracts and plans relating thereto, to be determined by said Board of Supervisors, and in all cases to be approved before the adoption or ratification of the same by the Mayor, Auditor, and Treasurer of said city and county. But no bonds authorized to be issued by this Act shall be sold for a less sum than ninety cents in gold coin on the dollar, par value. Said House of Correction shall be used for the safe keeping of such persons as shall be sentenced to be punished for crime by the Criminal Courts of the City and County of San Francisco, and are now and who would be confined in the County Jail.

SEC. 6. To secure the payment of the principal and interest of said bonds, the Board of Supervisors of the said City and County of San Francisco shall, when deemed necessary by them for the purpose in this section provided, levy an annual tax upon all the taxable property in the said City and County of San Francisco, and a sufficient sum or sums shall be raised by such annual levies to pay the principal of said bonds when the same shall become due. And it shall be the duty of the Treasurer of said city and county to set apart, annually, out of the moneys coming into the treasury to the credit of the House of Correction Fund, raised by said annual tax, a sum sufficient to pay the semi-annual interest on said bonds, and also to provide a Sinking Fund sufficient for the redemption of the same at maturity.

SEC. 2. From and after the passage of this Act, all and singular, the powers and duties now vested in the Board of Managers of said Industrial School shall be vested in the Board of Supervisors of the said City and County of San Francisco. Said Board of Supervisors shall exercise all the duties and possess all the rights now vested in the Board of Managers of the Industrial School Department, and all present indebtedness and liabilities of said Industrial School Department, and future expenditures and disbursements on account of the same, shall be presented, audited, and paid in the same manner as is now provided by law for the presentment, auditing, and payment of other claims against said City and County of San Francisco: *provided*, that the current expenses of such Industrial School shall only be audited and paid to the extent of four thousand five hundred dollars (\$4,500) per month.

SEC. 3. The purposes and objects of said Industrial School shall hereafter be the same as are now provided by law for the Industrial School Department of the City and County of San Francisco: *provided*, that persons who may be convicted of offenses mentioned in section ten of the Act entitled "An Act to Establish the Industrial School Department of the City and County of San Francisco," approved April fifteenth, eighteen hundred and fifty-eight, in counties other than San Francisco, may be committed by the proper authorities of such counties to the Industrial School of the City and County of San Francisco, on the approval of the Supervisors of the county in which such persons are committed to said Industrial School, upon payment to the City and County of San Francisco by such counties of the sum of fifteen (15) dollars, gold coin per month, for each month that such persons and each of them shall be inmates of said Industrial School.

SUPPLEMENTAL XXXVI.—*An Act in relation to the Industrial School Department of the City and County of San Francisco.*—Approved March 4, 1874.

SECTION 1. All Acts and parts of Acts relating to the Industrial School Department of the City and County of San Francisco, which were in force on the thirty-first day of December, eighteen hundred and seventy-two, are hereby declared to be, and the same are, in full force.

SEC. 2. Any person duly convicted of a crime, and duly committed to the Industrial School of said city and county, shall there remain until he arrives at the age of twenty-one years, unless sooner discharged according to law, or unless a shorter term shall be prescribed in the order of commitment.

SEC. 3. If any person who has been duly convicted of a crime, and is called for sentence, shall state to the Court or Judge that he is under the age of eighteen years, and shall thereupon

be committed to said Industrial School, such statement shall be recited in the order of commitment, and shall, as against such person, be conclusive as to his age in all questions relating to his connection with said school.

SEC. 4. If any person committed to said Industrial School, upon conviction of a crime, shall escape therefrom, and be thereafter arrested, he shall be brought before the Court or Judge by whom he was so committed, and the said Court or Judge may recommit him to said school, or may punish him by fine or imprisonment, or both, as might have been originally done upon such conviction; but this section shall not apply in case of conviction of a crime committed prior to the passage of this Act.

SEC. 5. It shall be the duty of every Sheriff and Police Officer to arrest any person who has been committed to said Industrial School upon conviction of a crime, and has escaped therefrom, and to bring him before the Court or Judge by whom he was so committed, that he may be dealt with as provided in the next preceding section.

SEC. 6. This Act shall take effect from and after its passage.

SUPPLEMENTAL XXXVII.—An Act to authorize the City and County of San Francisco to Provide and Maintain Public Water Works for said City and County, and to Condemn and Purchase Private Property for that Purpose.—Approved March 30, 1874.

By the provisions of this Act* the Board of Supervisors is authorized and empowered to take all necessary steps to provide and supply said city and county and the inhabitants thereof, and the manufacturing establishments therein, with a sufficient and abundant supply of pure and fresh water, at the lowest possible rates, and to secure an abundant supply for their future wants, and to that end and for that purpose they are authorized and empowered to construct, appropriate, and acquire, or to purchase and to hold the necessary real estate, water works, reservoirs, distributing mains, pipes, flumes, ditches, water, and water rights, creeks, ponds, springs and sources pertaining thereto. If deemed expedient, they are also authorized to purchase the water works and other property and rights of the Spring Valley Water Works, or any other corporation or person in the State, or the water of the Laguna de la Merced, at such price or prices as may be agreed upon by a committee consisting of the Mayor, Auditor, and City and County Attorney. Before any contract to purchase shall be entered into, the Board of Supervisors shall appoint a competent civil engineer, who is to make a full and accurate examination of all real estate, water works, etc., proposed to be purchased, and to make a report thereon, which shall state the value of the real estate, its water rights, etc., its character and its resources, with an estimate of the cost of maintaining said works. If, after the examination of the report and a personal examination of the works to be purchased, by a committee of the Board of Supervisors, the Board of Supervisors consider it for the interests of the city and county to purchase said property on the terms proposed, they shall publish the report of the engineer with their conclusions thereon, and shall submit the question of purchase to the qualified electors of said city and county at the next general election. In the event of a disagreement as to the terms for the purchase of the rights and property referred to, the committee may procure the condemnation of the same, or any other property necessary to carry out the objects of this Act; and to ascertain the value thereof. Commissioners are to be appointed by the Judge of the Twelfth District Court, whose decision shall be final. The Commissioners are also authorized to make the necessary investigation, as to the adaptability and values of the property condemned, and report thereon, which is to be submitted, after approval by the Judge of the Twelfth District Court, to a vote of the people in like manner as that of the engineer previously referred to. The Board of Supervisors, if the measure is sanctioned by a majority of the people, are also authorized to employ a competent engineer or engineers to commence at once the erection of such works, and to adopt the necessary measures to meet the objects of this Act. To secure the means to carry into effect these provisions, authority is given to issue Thirty-year Six Per Cent Bonds, the amount of which shall be fixed by the Board of Supervisors. The full and complete management of the works, when completed, is intrusted to a Board of three Commissioners, who are to be appointed by the Mayor, who shall serve without compensation.

into the treasury thereof, as a part of the Police Fund; forty per cent of all poll taxes [amended; see Sec. 76] collected in said city and county, or any other portion of such poll taxes which may be hereafter assigned to said city and county by law, shall also be paid and received into the treasury thereof as a part of the Police Fund. All demands payable out of said fund may, in case there be not sufficient money in the treasury arising from the sources specified in this section, be paid out of the General Fund of said city and county.

SEC. 76. The School Fund of said city and county shall consist of all moneys received from the State School Fund; all moneys arising from taxes upon property which shall be levied each year for that use by the Board of Supervisors, and which shall in no case exceed the rate of thirty-five dollars for each pupil who shall have actually attended school during the preceding year [Act April 1, 1872]; also the proceeds of the poll tax.—[Political Code, Article III, Sec. 3861.] The General Fund consists of all moneys in the treasury not designated and set apart by law to a specified use, and of the overplus of any Special Fund remaining after the satisfaction of all demands upon it. The Surplus Fund consists of any moneys belonging to the General Fund remaining in the treasury after the satisfaction of all demands due and payable which are specified in the first fourteen subdivisions in section ninety-five. The fiscal year shall be the same as that of the State.

SEC. 77. All taxes assessed upon real or personal property in said city and county shall be payable and be paid directly to the Treasurer thereof [the Tax Collector is authorized to collect the taxes; see Political Code, Part III, Sec. 3732]; and in default of such payment before the time when the Tax Collector may be authorized by law to seize and sell the property therefor, the said Tax Collector shall proceed to collect said taxes, together with his legal fees, by seizure and sale of the property liable, in the mode prescribed by law for the collection of such State and county taxes.

SEC. 78. The Tax Collector, upon the final settlement to be made by him as such Tax Collector, according to the requirements of the law, shall be charged with and shall pay into the hands of the Treasurer, the full amount of all taxes by him collected and not previously paid over, without any deduction or commissions, fees, or otherwise; he shall also be charged with and be deemed debtor to the treasury for the full amount of all taxes due upon the delinquent list delivered to him for collection, unless it be made to appear that it was out of his power to collect the same by levy and sale of any property liable to be seized and sold therefor; if the impossibility to collect any portion of such delinquent taxes has resulted from an irregularity or defect in the assessments, then the Assessor, whose duty it was to make the assessment, shall be liable and be deemed debtor to the treasury for the amount remaining uncollected for that cause.

SEC. 79. The Treasurer of said city and county shall receive and safely keep in a secure fire-proof vault, to be prepared for the purpose, all moneys belonging to or which shall be paid into the treasury, and shall not loan, use, or deposit the same, or any part thereof, with any banker or other person, nor pay out any part of said moneys, except upon demands authorized by this Act and after they have been duly audited; he shall keep the key of said vault and not suffer the same to be opened except in his presence. At the closing up of the same each day, he shall take an account and enter in the proper book the exact amount of money on hand, and at the end of every month shall make and publish a statement of all receipts into, and payments from, the treasury, and on what account. If he violate any of the provisions of this section he shall be considered a defaulter, and shall be deemed guilty of a misdemeanor in office, and be liable to removal, and shall be proceeded against accordingly. If he loan or deposit said moneys, or any part thereof, contrary to the provisions of this section, or apply the same to his own use or to the use of any other person, in any manner whatsoever, or suffer the same to go out of his personal custody, except in payment of audited demands upon the treasury, he shall be deemed guilty of felony, and on conviction thereof, shall suffer imprisonment in the State Prison for a period of not less than three nor more than ten years.

SEC. 80. The Treasurer shall keep the moneys belonging to each fund separate and distinct, and shall, in no case, pay demands chargeable against one fund out of the moneys belonging to another, except as otherwise provided in this Act, without an express order of the Board of Supervisors, which can only be made at or after the third regular session, held during the fiscal year by a vote of two thirds. The said Treasurer shall give his personal attendance at his public office during the office hours fixed in this Act; and if he absent himself therefrom, except on account of sickness or urgent necessity, during such office hours, he shall lose his salary for the entire day on which he is absent.

SEC. 81. [Repealed; see Act of the Legislature, March 28, 1859.]

SEC. 82. No payment can be made from the treasury or out of the public funds of said city and county, unless the same be specifically authorized by this Act, nor unless the demand which is paid, be duly audited, as in this Act provided, and that must appear upon the face of it. No demand upon the treasury shall be allowed by the Auditor in favor of any person or officer in any manner indebted thereto, without first deducting the amount of such indebtedness, nor to any person or officer having the collection, custody, or disbursement of public funds, unless his account has been duly presented, passed, approved, and allowed, as required in this Act; nor in favor of any officer who shall have neglected to make his official reports or his reports, in writing, in the manner and at the time required by law, or by the regulations established by

the Board of Supervisors; nor to any officer who shall have neglected or refused to comply with any of the provisions of this or any other Act of the Legislature regulating the duties of such officer, on being required, in writing, to comply therewith by the President of the Board of Supervisors or the Supervisor of the respective district; nor in favor of any officer for the time he shall have absented himself, without lawful cause, from the duties of his office during the office hours prescribed in this Act; and the Auditor may examine any officer, receiving a salary from the treasury, on oath, touching such absence.

SEC. 83. The term "audited;" as used in this Act, with reference to demands upon the treasury, is to be understood their having been presented to, and passed upon, by every officer and Board of Officers, and finally allowed as required by law; and this must appear upon the face of the paper representing the demand, or else it is not audited. The term "law or laws," as used in this Act, is never to be understood as applicable to any regulation of the Board of Education, or of the Board of Supervisors, but only applicable to the Constitution and the laws made or adopted by the Legislature in pursuance thereof.

SEC. 84. Every demand upon the treasury, except the salary of the Auditor, and including the salary of the Treasurer, must, before it can be paid, be presented to the Auditor of the city and county to be allowed, who shall satisfy himself that the money is legally due and remains unpaid, and whether the payment thereof from the treasury in the city and county is authorized by law, and out of what fund. If he allow it, he shall indorse upon it the word "allowed," with the name of the fund out of which it is payable, with the date of such allowance, and sign his name thereto; but the allowance or approval of the Auditor, or of the Board of Supervisors, or any other Board or officer, of any demand which upon the face of it appears not to have been expressly made by law payable out of the treasury or fund to be charged therewith, shall afford no warrant to the Treasurer or other disbursing officer for paying the same. No demand can be approved, allowed, audited, or paid, unless it specify each several item, date, and value composing it, and refer to the law by title, date, and section authorizing the same.

SEC. 85. The demand of the Auditor for his monthly salary shall be audited and allowed by the President of the Board of Supervisors. All other monthly demands on account of salaries fixed by law, and made payable out of the treasury of the said city and county, may be allowed by the Auditor without any previous approval. All demands payable out of the School Fund must, before they can be allowed by the Auditor or paid, be previously approved by the Board of Education, or by the President thereof, and Superintendent of Common Schools acting under the express authorization of said Board. Demands for teachers' wages or other expenses appertaining to any school cannot be approved, allowed, or audited to an amount exceeding the share of school money which such school will be entitled to have apportioned to it during the current fiscal year. Demands for monthly pay of Police Captains and officers must, before they can be allowed by the Auditor or paid, first be approved by the Police Judge and Chief of Police, or if they refuse or cannot agree, then by the Board of Supervisors. All other lawful demands payable out of the treasury or any public funds of said city and county, and not hereinbefore in this section specified, must, before they can be allowed by the Auditor or in any manner be recognized or paid, be first approved by the Board of Supervisors; or, if the demand be under two hundred dollars, by the President and two members thereof, appointed by the Board for that purpose, with power to act under and subject to its instructions and regulation during recess of the said Board. The Auditor must number and keep a record of all demands on the treasury allowed by him, showing the number, date, amount, and name of the original and present holder, on what account allowed, out of what fund payable, and, if previously approved, by what officer, officers, or Board it has been so approved; and it shall be deemed a misdemeanor in office for the Auditor to deliver any demand with his allowance thereon until this requisite shall have been complied with.—[Amendment April 18, 1857.]

SEC. 86. The President of the Board of Supervisors, Auditor, Chief of Police, President of the Board of Education, and each Supervisor shall have power to administer oaths and affirmations concerning any demand on the treasury or otherwise relating to their official duties. Every officer who shall approve, allow, or pay any demand on the treasury not authorized by this Act, shall be liable to the city and county, individually, and on his official bond for the amount of the demand so illegally approved, allowed, or paid. Every citizen shall have the right to inspect the books of the Auditor, Treasurer, and Clerk of the Board of Supervisors at any time during business hours. Copies or extracts from said books, duly certified, shall be given by the officer having the same in his custody to any citizen demanding the same and paying or tendering sixteen cents per folio of one hundred words for such copies or extracts.—[Amendment April 18, 1857.]

SEC. 87. The Auditor is the head of the Finance Department of the city and county, and as such is required to be constantly acquainted with the exact condition of the treasury, and every lawful demand upon it. He shall keep a public office and give his personal attendance there, daily, during the office hours fixed in this Act, and shall not be permitted to follow or engage in any other occupation, office, or calling while he holds said office; if he absents himself from his office during such office hours, except on indispensable official business or urgent

necessity, he shall lose his salary for the day, and it shall be a part of his official duty to keep account of the times and occasions when he shall be so absent from duty.

SEC. 88. Every lawful demand upon the treasury, duly audited as in this Act required, shall in all cases be paid on presentation and canceled, and the proper entry thereof be made, if there be sufficient money in the treasury belonging to the fund out of which it is payable; but if there be not sufficient money belonging to said fund to pay such demand, then it shall be registered in a book to be kept by the Treasurer for that purpose, showing its number, when presented, date, amount, name of the original holder, and on what account allowed and out of what fund payable; and being so registered, shall be returned to the party presenting it, with an indorsement of the word "registered," dated and signed by the Treasurer.

SEC. 89. Whenever any audited demand has been presented to the Treasurer and not paid, and it be made known to the President of the Board of Supervisors, he shall proceed immediately to investigate the cause of such non-payment; and if it be ascertained that the demand has been illegally and fraudulently approved or allowed, he shall cause the officer guilty of such illegal and fraudulent approval or allowance to be proceeded against for misconduct in office. If he ascertain that the demand has been duly audited, and that the Treasurer has funds applicable to the payment thereof which, without reasonable grounds for doubt as to the legality of such payment, he refuses to apply thereto, he shall proceed against him as a defaulter; if it be ascertained that the demand was not paid for want of funds, then he shall cause the Sheriff or Tax Collector or other officer, or person or persons, who ought to have collected or to have paid the money into the treasury, if they have been grossly negligent therein, to be proceeded against according to law and without any delay.

SEC. 90. The salaries, fees, and compensations of all officers, including Policemen and employes of all classes, and all teachers in common schools, or others employed at fixed wages, shall be payable monthly; and any demand whatsoever upon the treasury hereafter accruing shall not be paid, but shall be forever barred by limitation of time, unless the same be presented for payment, properly audited, within one month after such demand became due and payable; or if it be a demand which has to be passed and approved by the Board of Supervisors or Board of Education, then within one month after the regular session of the proper Board held next after the demand accrued, or unless the Board of Supervisors shall, within six months after the demand accrued as aforesaid, on a careful investigation of the facts, certify that the same is in all respects just and legal, and that the presentation of it, as above required, was not in the power either of the original party interested or his agent or the present holder, in which case it shall be barred in the same manner, unless presented for payment within twenty days thereafter.

SEC. 91. The Treasurer, for money received into the treasury, and all other officers of said city and county receiving money from the Treasurer for disbursement, shall give receipt for all moneys by them received, which receipt shall be presented to, and countersigned by, the Auditor. The Auditor, before countersigning any such receipt, shall number it and make an entry in a book of record, to be kept in his office for that purpose, of the number, date, and amount, by whom, in whose favor given, and on what account. No such receipt shall be valid as evidence in favor of the person or officer receiving it till presented to the Auditor and countersigned as aforesaid; and any person or officer using, or offering to use, such receipt as evidence, in favor of such person or officer, of the payment specified in it, without being first countersigned as above required, shall forfeit to the said city and county double the amount of money specified in such receipt.

SEC. 92. If any person feel aggrieved by the decision of the Auditor, or other proper officer or officers of said city and county, except the Board of Education, in the rejection of or refusal to approve or allow any demand upon the treasury presented by such person, he may appeal, and have the same passed upon by the Board of Supervisors, whose decision thereon shall be final; and if the said Board shall approve and allow the demand, it shall afterwards be presented to the Auditor, and entered in the proper book in like manner as other demands allowed by him, and an indorsement must be made of its having been so entered before it can be paid: *provided*, that from the decision of the President of the Board of Education and Superintendent of Common Schools refusing or not agreeing to allow any demand, payable out of the School Fund, the appeal shall be taken to the Board of Education, whose decision thereon shall be final.

SEC. 93. In all cases of such appeals to the Board of Supervisors or the Board of Education, the opinion of the District Attorney thereon shall be required in writing, read and filed; and upon such appeal, and in all other cases upon the approval or allowance of any demand upon the treasury or School Fund, the vote shall be taken by yeas and nays, and entered upon the records.

SEC. 94. The President of the Board of Supervisors, in conjunction with the County Judge and Auditor of said city and county, shall every month examine the books of the Treasurer and other officers of said city and county, having the collection and custody of public funds, and shall be permitted, and it shall be their duty, to see and count over all the moneys remaining in the hands of the Treasurer or other officer. If they ascertain clearly that such Treasurer or other officer is a defaulter, they shall forthwith take possession of all funds, books, and papers belonging to such officer, and appoint a person to fill the same, until the said defaulting

officer can be proceeded against according to law, which shall be done without delay. The person so appointed shall give bond and take the oath of office, in the same manner as was required of the officer whose place he was appointed to fill. If the Treasurer, or other officer so charged as a defaulter, he acquitted thereof, he shall resume his duties.

SEC. 95. Payments of demands on the treasury of said city and county may be made for the following objects, and none others [amended April 18, 1857]:

the expense legally incurred for books, stationery, and official blanks, as authorized by section eleven of this Act; also, expenditures not exceeding two thousand dollars [amended Act April 26, 1862], during any one month for objects of urgent necessity other than those heretofore specified in this section, when the amount thereof in each particular case shall have been previously authorized and fixed by the Board of Supervisors in the lawful exercise of their powers.—[Provisions relative to expenditures for Fire Department, construction of cisterns, etc., superseded by Act of March 2, 1868, and Amendments March 14, 1870, and March 30, 1874; see Supplemental Acts II and III, pages 882 and 883.]

Fifteenth.—Out of the Surplus Fund, expenditures previously authorized by the Board of Supervisors, in the lawful exercise of their powers, for objects other than those specified in the preceding fourteen subdivisions of this section, may be paid out of the Surplus Fund, as specified in sections ninety-seven and ninety-eight, but not otherwise. At the end of each fiscal year and after every lawful demand on the treasury then due and payable, or to accrue for that year, shall have been actually paid, taken up, and canceled, and record thereof made in the proper books, or cash in the treasury shall have been set apart and reserved equal to the amount of said demands that may then be outstanding or to accrue for that year, and a surplus of money shall still remain in the treasury, then and in such case, but not otherwise, the Board of Supervisors may, out of such Surplus Fund, and from no other source whatever, make appropriations for the various objects embraced within their lawful powers, other than those specified in the first fourteen subdivisions of this section, and may, in case the revenue of the year then next ensuing will, in their opinion, be amply sufficient to satisfy all demands upon the General Fund and Police Fund, set apart and reserve the moneys so appropriated, to be expended from time to time during such succeeding year, subject however to the provisions of section ninety-six. Every contract whereby any money is to be paid out of the treasury for other objects than those specified in the first fourteen subdivisions of this section, shall be null and void as against the city and county, if made before such Surplus Fund exists in the treasury, and unless it be in writing with a printed copy of sections ninety-five, ninety-six, ninety-seven, and ninety-eight of this Act attached to it, and in such case the officer or officers executing the same in behalf of the city and county, in contravention of this provision, shall alone be liable, in his or their individual capacity, to the other contracting party for the fulfillment of such contract.— [Amendment April 18, 1857.]

SEC. 96. The demands specified in the first fourteen subdivisions of section ninety-five shall be paid out of any moneys in the treasury, in preference to any and all other demands whatsoever; and in case of any deficiency of funds for the payment of any of the said demands when presented, then all such demands, being presented and registered by the Treasurer as in this Act required, shall be paid out of any moneys afterward coming into the said treasury applicable thereto, in the order in which the same are registered.

SEC. 97. The Board of Supervisors, Board of Education, and each and every officer of the said city and county being absolutely prohibited to contract any debt or liability in any form against the said city and county hereafter, the powers of the Board of Supervisors enumerated in this Act, so far as the exercise thereof may involve the expenditure of money otherwise than for the objects and demands referred to in the preceding section, shall be deemed to extend only to authorizing the appropriation and application of any surplus moneys remaining in the treasury during any one fiscal year to the objects specified in such enumeration of powers after the demands mentioned in the first fourteen subdivisions of section ninety-five due and payable during such fiscal year shall have been paid, and the several Sinking Funds shall have been

provided and reserved for the redemption of said bonds and certificates of stock to the amount hereinbefore specified.

SEC. 98. If any expenditures not authorized by this Act be incurred, they can never be paid out of the treasury, nor shall they be deemed to constitute or lay the foundation of any claim, demand, or liability, legal, equitable, or otherwise, against the said city or county. If expenditures be incurred which are authorized by this Act to be paid out of the surplus funds in the treasury, but not for the preferred objects specified in section ninety-six, such expenditures can only be paid out of such surplus funds and revenues strictly appertaining to the fiscal year in which such expenditures have been ordered, or the contracts therefor entered into, and cannot be carried forward and paid out of any revenues accruing and receivable into the treasury for any subsequent year; nor shall any demand for or arising out of any such expenditure, contract, or consideration be deemed to be a legal or equitable claim or liability against the said city and county or the treasury thereof, or the taxable property of tax payers otherwise than as in this section provided; and no demand preferred against the said city and county or the treasury thereof which is not legally obligatory under the provisions of this Act, can be recognized, assumed, or legalized, so as to give it any validity or authorize the payment thereof.

SEC. 99. [Repeals former Acts and provides that all laws and parts of laws defining the powers and duties of Supervisors or Boards of Supervisors, are declared inapplicable to the said City and County of San Francisco, except such as are expressly referred to in, and made applicable thereto by, the provisions of this Act; also, all laws and parts of laws, as far as they conflict with the provisions of this Act. The schedule to the Act provides for the organization of San Mateo County, and is therefore omitted.]

*Automatic boxes.

Directions for Key-holders.—Upon the discovery of a fire near your signal-box, turn the crank slowly and steadily about twenty-five or thirty times, then wait a few moments, and if you hear no alarm on the large bells, turn as before. If you still hear no alarm, go to the next box and give the alarm from that. Never open the box or touch the crank except in case of fire. Never signal for a fire seen at a distance. Do not give an alarm for a burning chimney. Be sure your box is locked before leaving it. Upon a second alarm being struck for the same fire it will be considered a general alarm. Second alarms will be turned in only by order of the Chief Engineer or his Assistants.

Keys of the signal boxes are deposited in the vicinity of each box, at such places as are indicated upon cards placed thereon.

Boxes designated with a star are Automatic ones. An alarm from these is given by pulling down the hook once and letting go, unerring mechanism doing the rest.

Complaints concerning the working of the Fire Alarm Telegraph, irregular striking of the bells and gongs, broken wires, etc., should in all cases be made at the Fire Alarm Office, Brenham Place.

In case of tumult or riot, whereby the services of the Police force are required, an alarm will be given, consisting of ten strokes upon the bells and gongs, repeated five times, which will be a signal for the Police to assemble at the City Hall. This alarm will be given only by order of the Mayor or Chief of Police.

CHURCHES.

BAPTIST.

First Baptist Church.

Location, north side of Washington Street, between Stockton and Dupont. Rev. E. E. HURLBERT, Pastor; residence, 224 Post Street.

This church was organized in June, 1849, under the labors of its first Pastor, Rev. O. C. Wheeler. The church lot was purchased in the spring of that year for the sum of \$10,000. The first house of worship was dedicated in August, 1849, and was the first Protestant house of worship erected in California. Mr. Wheeler's pastorate ended in November, 1850. He was succeeded by the Rev. E. Brierly in May, 1852, who officiated until May, 1853. In July, 1859, Rev. D. B. Cheney was called to the pastorate, and continued in charge until 1867, when he was forced to resign on account of ill-health. After his resignation, Rev. C. A. Buckbee officiated as pastorate supply until the arrival of Rev. J. E. Thomas, February, 1868, who continued in charge until December, 1868, when he also was compelled by ill-health to resign. The Rev. A. R. Medbury took charge in November, 1870, and officiated until June 1, 1872. In the summer of 1853, the wooden building was removed, and the basement of the present edifice was erected at a cost of \$13,000. In this the congregation worshipped until September, 1857, when it dedicated its newly-finished building which it had completed, for the sum of \$16,000, including upholstery.

Metropolitan Baptist Church.

Location, north side of Post Street, between Hyde and Larkin. Rev. ISAAC S. KALLOCH, Pastor.

The Tabernacle Baptist Church (now Metropolitan) was organized November 23, 1865, with forty-five members, and duly recognized by a Council of Baptist churches December 12, 1865. Its church edifice was dedicated August 20, 1865. It is of plain exterior, but very attractive within, having a seating capacity for three hundred and fifty persons. On the call of its present Pastor, it changed its original name of The Tabernacle, and adopted instead that of The Metropolitan Baptist Church, March

3, 1875. At this time it invited the Columbia Square Baptist Church, worshipping on Russ Street, to unite with it under the pastorage of Mr. Kalloch. This invitation was accepted, and the consolidated body commenced services April 1, 1875, as one people. The first steps for the organization of the Columbia Square Baptist Church were taken in 1860, when Dr. Cheney's congregation established a Mission interest in the Nonantum School House on Third Street, near Bryant. The Sunday School was under the superintendence of H. H. Heath. After several changes, a lot was purchased on Fifth Street, corner of Jessie, and a church erected and organized December 22, 1862, where the congregation worshipped until the spring of 1869, when the present commodious and elegant edifice was completed. Rev. H. A. Sawtelle was the first Pastor, who continued to officiate until October, 1866, when he retired from his pastoral charge and established the Union Square Baptist Church. Rev. C. R. Hendrickson, for several years Pastor at Steepton, was called by the congregation to fill the vacancy. He entered upon his duties on the first of January, 1867, and resigned June 15, 1870. The Rev. D. S. Watson, of Pittsfield, Mass., was unanimously called by the church to the pastorate January, 1871, and continued in charge until his decease, December 27, 1872, since which time there has been no permanent Pastor. Neither house of worship, hitherto occupied by these churches is sufficiently large to accommodate the increased attendance, and a larger edifice in a suitable location is contemplated. The Advisory Committee, under the reorganization, consists of the Deacons and Trustees of the church, and its Pastor, together with the Trustees and Deacons of the Columbia Square Church, at the date of its union with this body.

Since then the house has been raised, the front improved, and convenient basement apartments finished and furnished. The financial affairs of the church are in a prosperous condition, and the public worship well attended. The Lord's Supper is observed monthly, and Christians of other churches when present are free to unite in the service. There never has been as yet a change in the pastorate of this congregation.

CONGREGATIONAL.

First Congregational Church.

Location, southeast corner of Post and Mason streets. Rev. A. L. STONE, D.D., Pastor; residence, 617 Bush Street.

This church was organized July 29, 1849, when Thomas Douglas and Frederick S. Hawley were chosen Deacons, and inducted into office on the following Sunday by Rev. T. D. Hunt, assisted by Rev. A. Williams. The society met in the school house on the Plaza, until it was required for other purposes, when the members were deprived of a regular place of meeting for several months. As early as practicable, however, efforts were made for the erection of a suitable house of worship, which resulted in the building of a commodious frame structure, twenty-five by fifty feet, on the corner of Jackson and Virginia streets, which was dedicated to the worship of God February 10, 1850. Rev. T. D. Hunt was chosen Pastor, and installed June 26, 1850, who, in this connection, it is proper to state, was the first Protestant clergyman, located as such, in the State, having arrived in San Francisco as early as October 29, 1845, and was immediately invited by the citizens, in a meeting called for the purpose, to act as their chaplain for one year, commencing November 1, 1848, in which capacity he was laboring at the time of the organization of this church. The congregation increased so greatly as to require a larger house. Accordingly measures were adopted, in the summer of 1852, for the erection of the substantial brick edifice on the southwest corner of California and Dupont streets, which was dedicated on the tenth of July, 1853. The second pastor, Rev. E. S. Lacy, was installed July 6, 1858, and dismissed October 3, 1865. In the spring of 1870, the society deemed it essential to seek a different location and larger accommodations. Measures were taken which resulted in the erection of the present large and commodious house of worship. The dimensions are ninety-two feet frontage on Post Street by a depth of one hundred and thirty-five on Mason Street, and is ninety feet to the apex of the roof, which is steeply pitched. On the north-west angle is the grand tower and spire, rising to the height of two hundred and thirty feet, surmounted by a vane and weathercock in gilt. The style of architecture is the early English Gothic. The three principal entrances are on Post Street, with one in the tower fronting on Mason, and are all reached by broad flights of stone steps partly covered by deeply-recessed porches supported on brick piers and detached stone columns. The entrance doors are wide and made sliding, and are banded and ornamented with iron. Between the buttresses of the side walls are five large windows on each side of the church, having deeply molded and trained heads and recessed arches. These windows terminate with gables extending above the eaves of the building, and finished with iron terminals. The other gables throughout are finished with terminals, and those of the front and rear main gables are ornamented in character and richly gilded. The roof is broken by ventilators, in the style of dormers, having iron terminals, and the ornamental roof is crowned with a cast-iron ridge-way. The front of the church, on Post Street, is designed with groups of two and three-light windows, arranged centrally over doorways with deeply-recessed arches, relieved by white and dark brick ornamentally disposed. The tower on the east of its face has an arcade of light columns and arches, and the belfry has two large and lofty windows divided by buttresses on each face. The angle buttresses terminate upward in bold pinnacles, and group well with the canopies and pinnacles of the spire windows. There is also a second or midway tier of spire windows. The front entrance doors open into a large and airy vestibule, with doors opening opposite into the auditorium, and stairways, right and left leading to the galleries. The auditorium is eighty-eight feet in length on the ground floor, and seventy-four feet wide—the length above the gallery, including the organ and choir recess, being one hundred and twenty-five feet. The height to the center portion of the ceiling is sixty-five feet. The seating accommodations on ordinary occasions will be for about seventeen hundred persons, but will comfortably receive two thousand. The basement is divided into lecture room, class room, infant class room, ladies' room, library, and lumber room, which are provided with all the necessary lavatories and conveniences. The basement rooms are so arranged that they can all be thrown into one apartment during exercises or for social purposes. It was dedicated on the nineteenth day of May, 1872. Plymouth Congregational Church.

Location, east side of Taylor Street, between Geary and O'Farrell. Rev. T. K. NOSLE, Pastor; residence, 422 Minna Street.

This church was organized on the twelfth of January, 1862, with twenty-six members. It grew out of a Sunday School which had been maintained in the building corner of Mason and Geary streets, known as the "Little Brown Church." Here public worship was established in the autumn of 1861, and the Rev. John Kimball engaged to take charge of the enterprise. He began his very diligent and successful labors in November, 1861, and continued in them until January, 1863, when he resigned and went to the East to do service in the armies of his country. In December, 1862, the church and society invited the Rev. J. A. Benton, of Sacramento, to become their Pastor. After a faithful pastorate of six years he resigned to take the position of professor in the Pacific Theological Seminary at Oakland. After a vacancy of about four years, during which the Revs. E. G. Beckwith, John Kimball, and others supplied the church, the Rev. T. K. Noble, of Cleveland, Ohio, was unanimously called to the pastorate, and was formally installed December 6, 1872.

The present edifice on Taylor Street, which was dedicated April 10, 1864, is a structure forty-two by ninety-two feet, with a spire one hundred and fifty feet high. It is complete in all its parts and arrangements, having a basement under the whole, divided into lecture room, ladies' parlor, and infant class room. It has a Pastor's study in the rear. Third Congregational Church.

Location, south side of Fifteenth Street, near Mission. Rev. EDWARD P. BAKER, Acting Pastor; residence, 422 Minna Street.

This church had its origin in the fall of 1862, when several persons, heads of families, residing in the vicinity of the Mission Dolores, met to consult together in regard to the practicability of organizing a church in the neighborhood.

After much discussion extending through several informal meetings, it was decided to extend an invitation to the Rev. E. G. Beckwith, then pursuing his theological studies at Andover, Mass., to visit this city and upon the organization of a Congregational Church at the Mission, to become its Pastor. The invitation was accepted and Mr. Beckwith with his family arrived on Sunday, the twenty-sixth day of October, 1862, and on the next Sabbath he preached his first sermon to his future church and society, and on the following Sabbath organized a Sabbath School.

On January 7, 1863, the organization of the church was completed, and on the 8th of February following the installation services took place in the old church edifice on First Avenue.

After five years of faithful labor, Mr. Beckwith resigned

the pastorate, much to the regret of his congregation. From October, 1867, to April, 1869, the church was without a settled Pastor, the Rev. Selah Merrill supplying its pulpit from December, 1867, to June, 1868. In August, 1868, the Rev. William C. Pond was invited to fill the pulpit for the period of six months, at the expiration of which time he accepted a call from the congregation to become their settled Pastor, and continued in charge until the fall of 1872. Rev. Edward P. Baker has been Acting Pastor since October, 1872.

From November 2, 1862, until October 30, 1864, the old Methodist church edifice on First Avenue, which had become private property, was occupied by the church and society as a place of worship. The first services in the present chapel were held on the sixth day of November, 1864. The total cost of lot, building, and furniture was \$14,000.

Services are held every Sabbath at eleven o'clock A.M. and half past seven o'clock P.M. Prayer Meeting every Wednesday evening.

The Sabbath School was organized November 5, 1862. Its first session was held on Sunday, November 9, of the same year, the total attendance being thirty-three. At present, the average attendance is about three hundred and fifty. Meets immediately after morning service. There is also a Chinese Sabbath School connected with the church, average attendance about thirty.

The edifice was designed by S. C. Engbee & Son, and cost about \$5,000, exclusive of the amount (\$5,000) paid for the lot. The dedication services occurred in March, 1865.

EPISCOPAL.

Trinity Church.

Location, northeast corner of Post and Powell streets. Rev. HIRAM W. BEERS, Rector.

This is the oldest parish of the Protestant Episcopal Church on the Pacific Coast.

It had its beginning in Divine Service, celebrated by the Rev. Flavel S. Mines and the Rev. Augustus Fitch, Presbyters of the Diocese of New York, on the eighth day of July, 1849.

The Type on which this Work is Printed was cast by Miller & Richard, Edinburgh, Read, Brand & Co., Agents, 310 Clay.

On the twenty-second of the same month, several citizens of the city resolved to form themselves into a congregation, to be known hereafter as the Holy Trinity Church.

On the twenty-ninth of July wardens and vestrymen were elected, and on the sixth of August the Rev. Mr. Mines was elected Rector.

A fifty-vara lot on the southwest corner of Jackson and Powell streets was purchased August 26, and a church edifice erected thereon, which was occupied the following November. In December, 1851, a lot on the north side of Pine Street, between Montgomery and Kearny streets, was purchased for the sum of \$4,000, and a wooden edifice, forty by ninety feet, covered with corrugated iron, erected thereon. The first services in this church were held January 25, 1852. On the twenty-seventh of February of the same year, the name of the corporation was changed from the "Church of the Holy Trinity," to "Trinity Church." The Rev. Flavel S. Mines died August 5, 1852, greatly lamented by all his parishioners. He was succeeded by the Rev. C. B. Wyatt, who commenced his official duties Feb. 26, 1853. On Sunday, the twenty-ninth of January, 1854, the Rt. Rev. Bishop Kip, D.D., landed in San Francisco, and preached in Trinity Church both morning and evening. On the ninth of April, 1854, being the Sunday before Easter, the rite of confirmation was administered in Trinity Church. This was the first episcopal act ever performed on the shores of the Pacific. Eighteen persons came forward to receive the rite—one of them was a native of China. In May, 1856, Dr. Wyatt returned to New York on a visit, and the Rev. S. Chipman Thrall, D.D., was placed in charge of the church until March, 1857, when Mr. Wyatt resigned and Dr. Thrall was elected his successor, who officiated until November, 1862, when he resigned and the Rev. C. B. Wyatt was again elected Rector.

In November, 1863, a fifty-vara lot on the corner of Powell and Post streets, was purchased for the sum of \$25,000, and subsequently an adjoining lot on the east, at an additional cost of \$5,000. The lot and building on Pine Street was sold in September, 1866, for \$70,000, and during the same month the corner stone of the present edifice was laid. It was consecrated to divine service on the twenty-second of September, 1867. During the construction of the new church the congregation worshipped in St. John's Hall, Masonic Temple. In the spring of 1869 Mr. Wyatt resigned, and was succeeded by the Rev. Elias Birdsall, who officiated until May, 1870, when he also resigned. The Rev. C. W. Turner then took charge of the parish, and officiated until January, 1871. He was succeeded by the Rev. Theodore E. Lyman, who officiated until July 1, 1873, when he resigned, and the Rev. G. D. Silliman took charge.

Grace Church.

Location, southeast corner of California and Stockton streets. Rev. WILLIAM H. PLATT, Rector.

This church was organized in 1849, the statistics of which may be summed up as follows: The first Rector of the Church was Dr. J. L. Ver Mehr, who preached his first sermon in California at the house of Mr. Merrill, in this city, September 10, 1849. A chapel was next built toward the close of 1849, at the corner of John and Powell streets, which was first opened for divine services December 30, 1849. This was the first Grace Church. It was sixty feet long by twenty feet wide, and cost \$8,000. On the twenty-eighth of April, 1850, Grace Church was formally organized. E. Bryant and D. S. Turner were elected Wardens, and Dr. Ver Mehr chosen Rector. The first vestry meeting was held on May 20, 1850. In February, 1851, the contract was made to build the former Grace Church on Powell Street, which was finished that summer.

Dr. Ver Mehr preached the first sermon in this edifice. Bishop Kip arrived in San Francisco January 29, 1854 and on the twenty-fifth day of February following assumed the Rectorship, at which time Dr. Ver Mehr resigned. The Bishop continued to officiate until Palm Sunday, April 5, 1857, when F. C. Ewer was ordained, and on the next Sunday he preached his first sermon. On the fourteenth of April Mr. Ewer was elected to be Assistant Minister, and on the twentieth of the same month he took charge of the parish, the Bishop having departed for the Atlantic States. The Bishop having returned and resigned the Rectorship, Mr. Ewer was elected Rector of the Church, December 15, 1857, and retained that position until April, 1861, when he resigned. At the earnest solicitation of the Vestry, Bishop Kip again became Rector, and served as such until October, 1864. Rev. H. Goodwin being then Assistant Minister, continued as such, when in September, 1866, he was elected Rector, and on the first of July, 1867, resigned. The Rev. James S. Bush was then elected Rector; he entered upon his duties in December following, and officiated until the fall of 1872, when he resigned, and was succeeded by the Rev. Charles G. Williamson, who officiated until June, 1873. The present Rector entered upon the discharge of his duties November, 1873.

The corner stone of the present church edifice was laid by Bishop Kip in May, 1860. The building is one hundred and thirty-five feet deep and sixty-two feet wide. St. John's Church.

Location, northeast corner of Fifteenth and Valencia streets. Rev. ELIAS BIRDSALL, Rector; residence, 704 Dolores street, near Twentieth.

This church was established in November, 1857—the Rev. John Chittenden, President of the San Francisco College, then a lay reader, licensed by the Bishop of the Diocese, officiating as its Minister. The parish, of which this is the Church, was instituted in February, 1858. The inhabitants are indebted mainly to the liberality of a few individuals and to the Rev. John Chittenden for the first introduction of this church service into the neighborhood. The Rev. J. Cameron, ordained in April, 1860, officiated as Curate—the Rev. John Chittenden being his Rector. By the energy of the Curate, assisted by his brother clergymen, he established the Episcopal Church permanently in this vicinity. The Rev. T. W. Brotherton took charge on the first of August, 1861, and was succeeded by the present Rector July 1, 1872. The first of August, 1862, a church edifice was commenced on a lot presented by the ladies of the congregation to the Vestry, which was finished in November of the same year, and is capable of accommodating three hundred and fifty persons. Location, south side of Pacific Street between Polk Street and Van Ness Avenue. Rev. E. S. PEAKE, Rector; residence, 1712 Clay Street.

The first services of the Protestant Episcopal Church at Spring Valley which led to the organization of this church, were held by the Rev. Giles Easton, Assistant Rector of Grace Church, in Spring Valley School House, on Broadway Street, between Larkin and Polk, on the fourth of March, 1866.

A Sunday School was shortly after organized, with Mr. John Wignmore as Superintendent, and Mr. Edward Barry as Librarian. The Mission was at that time called St. Andrew's Church.

On the twelfth of August, 1866, Rev. D. J. Lee took charge of the Mission, and changed the place of holding service to Fixley Hall, on the corner of Pacific and Polk streets. Shortly after, a society of ladies, under the name of Martha Society, was formed for the purpose of raising a fund to purchase a lot and to erect a church building thereon. About this time the name of the Mission was changed to the Church of the Nativity.

The Rev. Dr. Lee having resigned in October, 1867, Rev. F. O. Barstow was appointed as missionary to the station. After the resignation of Mr. Barstow, the vestry elected the Rev. J. B. Gray, Rector, who entered upon his duties the first Sunday in September, 1869. The Rev. E. S. Peake succeeded to the Rectorship December 1, 1870.

In March, 1868, the ladies of the Martha Society were requested to furnish a name, by which this church is now known, and under which the parish was incorporated. This parish was organized in July, 1867, through the zealous efforts of several earnest laymen, with a view to supplying the large population resident in that portion of the city known as North Beach, with the ministrations of the church. On many accounts a difficult field of labor, it is hoped that in time, through faith and earnest missionary zeal, a self-supporting parish will be established. The parish is incorporated, and also admitted into communion with the Diocesan Convention.

The new church building recently erected on leased ground, at a cost of \$4,500, accommodates three hundred, the sittings being free.

Present place of worship, St. Paul's German Evangelical Lutheran Church, on the south side of Mission Street, between Fifth and Sixth.

This church was organized on the twentieth of October, 1870, by its present Pastor, who came to San Francisco under the auspices of the Norwegian Lutheran Synod of America. Having labored here for six weeks he went to the East, but returned in April, 1871, in accordance with a unanimous call from the congregation to become their Pastor. In June, 1872, he visited the Scandinavian countries, principally for the sake of his health, and returned in October to resume his labors. The project of starting a Scandinavian Church has, during the last twelve years, been tried three or four times without success, and these failures have, more than anything else, hindered the present work. The church has, however, been self-supporting from the start, and its friends are confident that they will have at no distant time their own place of worship. There is at present in the Building Fund about \$5,500. A good choir has been organized, and the future prospects of the church are encouraging. A Ladies' Society to promote the interests of the church has lately been organized. Services in the Scandinavian language Sundays and holidays at two o'clock P.M., and occasional services in the week at forty-five minutes past seven o'clock P.M. PRESBYTERIAN.

First Presbyterian Church.

Location, west side of Stockton Street, between Washington and Clay. Rev. ROBERT PATTERSON, D.D., Pastor; residence, 1110 Powell Street.

This church was organized May 20, 1849, under the direction of Rev. Albert Williams, and was the first Protestant Church organized in San Francisco. W. W. Caldwell, Frederick Billings, Dr. George F. This house was destroyed by the great fire of June 22, 1851. A plain building was immediately erected on the same spot, in which the congregation worshipped until August, 1857; and from that time until May, 1858, their meetings were held in the Chinese Mission Chapel. Location, corner of Larkin and Pacific streets. Rev. CALVIN A. POAGE, Pastor; residence, 1507 Clay Street.

This enterprise was commenced by Rev. J. D. Strong, in the Spring Valley School House, in April, 1862. A Union Sabbath School, under the superintendence of E. R. Waterman, had previously existed in the neighborhood for more than two years, but was not formally connected with the church movement till near the close of that year, when an effort was made to erect a house of worship, but failed for want of the requisite funds. During the following summer the effort was revived, and in September, 1863, a Board of Trustees was incorporated, a lot purchased at an expense of \$1,000, plans and specifications prepared by S. H. Williams, and the contract for building the church edifice let to J. W. Duncan. On the fourth of September, 1864, the building was completed

and dedicated. It is of wood, seventy-two feet long and forty-two feet wide, and has seats for about four hundred persons. Its architecture is plain and unpretending, but neat and tasteful. Its whole cost was a little over \$10,000.

Location, north side of Tyler Street, between Taylor and Jones. Rev. THOMAS M. CUNNINGHAM, D.D., Pastor; residence, 1517 Sacramento Street.

This church was organized May 14, 1865, with fifty-three members. At present it has on its roll the names of about four hundred, and is rapidly increasing. In the summer of 1865, the congregation erected an edifice on Mission Street, between Fifth and Sixth, where they worshiped until the summer of 1869, when a second house of worship was completed and formally dedicated to the service of God on Sunday, Nov. 28, 1869. The building, furniture, etc., exclusive of the lot, cost about \$25,000. The Rev. John G. Fackler, through whose labor the congregation was gathered, officiated from April, 1866, until the present Pastor took charge in November, 1870. The congregation and Sabbath School increasing so rapidly, it was determined to sell this edifice, which was done in the month of August, 1872, to the Central Methodist Episcopal Church, who removed the building to their lot on Mission Street, between Sixth and Seventh, paying \$7,500 for the building and furniture. The organ was sold to the Presbyterian Church of San José. In September, 1872, the contract for the present building, called the "Central Presbyterian Tabernacle," was signed, and the work commenced to erect a building which is free to all persons, and completed in 1873. The building is an octagon shape, surmounted by a dome from which suspends a sunburner, which is the only light used. The walls are handsomely frescoed and contain appropriate mottoes from the "Beatitudes." A splendid organ fills up the entire east wall. Slatery, Assistants; Rev. R. P. Brennan, Secretary; arch-episcopal and pastoral residence, 628 California Street, adjoining the Cathedral.

The erection of this noble structure was commenced on the seventeenth of July, 1853, during which year the basement portion was built, and the work was resumed the July following. Dedicated December 25, 1854. The church is seventy-five feet wide, fronting on California Street, by one hundred and thirty-one feet on Dupont Street. Service was begun at midnight on December 24, 1854. The basement portion is lighted from both sides, and well ventilated. The present expenditure for the building is \$175,000. The church portion is forty-five feet high in the clear, and contains spacious galleries, and an organ loft. The ceilings are vaulted with a series of groined arches which are decorated, and every means have been resorted to for accommodation, light, and ventilation. The church can seat twelve hundred persons. The tower is at present one hundred and thirty-five feet high, and when completed with a spire, will be two hundred feet high. The edifice is of Gothic architecture, which has been carried out in every detail through the building. In all the arrangements for the erection of the church the greatest attention has been paid to the selection of the best material, and to the combination of strength and durability, which are admirably effected in its construction.

The present dimensions of the Cathedral not being sufficiently large for the vast congregation that attends it, it is intended to add about thirty feet more to its length. An arch-episcopal and pastoral residence on California Street as also a beautiful and spacious baptistry, have been recently erected.

Attached to the Cathedral is a large day school for boys.

Baths! Baths!! Baths!!! Go and Bathe at Central Baths, 113 Geary.

EDWARD BOSQUI & CO., Stationers, Printers, and Bookbinders, corner of Clay and Leidesdorff.

Its design is of the Gothic order, prevalent in the fourteenth century, presenting an illustration of the Christian architecture of that period. The principal features of this imposing structure are the towers, which project beyond the body of the church, and present in the elevation four divisions, rising to a height of ninety feet from the ground. The entrance porch, or vestibule, has two side aisles, a semi-ogival sanctuary, and two sacristies, and is approached by a flight of ten steps, ascending to the vestibule, from which, at each side, are entrances to the galleries and baptistry, and in front are the pointed arched doorways which lead to the nave and aisles. In the central space between the towers are the three doorways communicating with the vestibule, and thence with the interior. Over the central door there is a large and elegant three-compartment window, and in the gable a highly decorated rose window. Over each side door there is a lofty and spacious niche, which rises from richly molded brick corbels; there are also three marble panels with appropriate inscriptions, recessed in the brick work immediately over the doorway and gable; the work is finished with a massive and richly decorated cross.

The interior of this building has lately been completed in the florid Gothic style. Its symmetrical proportions are admired by all the lovers of architecture, and pronounced to be the most correct, and ranks now among the most elegant buildings in San Francisco.

The east and west sides of the structure are divided by buttresses into eight spaces, in each instance, seven of which contain the large, pointed arched windows which light the church. Beneath the floor of the church there is a large, well-lighted basement, which is used as a school room, and also as a place of meeting for the parishioners. The extreme dimensions of the building are sixty-six feet front by one hundred and thirty-seven and one half feet in depth; from the floor to the foot of the rafters is thirty-five feet, and from the floor to the apex of the ground arches is fifty-six feet. Cost over \$100,000.

Location, north side of Mission Street, between Third and Fourth. Rev. PETER J. GREY, Pastor; Rev. Thomas Larkin, Rev. P. Power, and Rev. Edward Morrissey, Assistant Pastors. Pastoral residence, 744 Mission Street.

This church, founded by the Rev. John Maginnis in 1851, was originally located on the corner of Market and Annie streets, where the congregation worshipped, and a large and flourishing Sunday School was maintained until the early part of 1872, when the present commodious edifice was completed. The interior of the new church is a vast space of eighty feet in width by one hundred and sixty in length, and seventy-five feet high, to the crown of the ceiling of the nave. The nave comprises the main hall, which is forty-four feet in width, and on each side are aisles of eighteen feet in width, separated from the nave by rows of sixteen fluted columns, eight on a side, from which spring the upper walls of the main building. The ceiling is a succession of groined arches, and is beautifully frescoed in a ground of blue. The light is ample, there being thirty-six large windows in the wings and tier, and five in the chancel, all filled with stained glass. The windows of the chancel represent St. Patrick, as a center piece, with the four Evangelists. Rows of niches are in the walls, between the windows, twelve of the most conspicuous of which hold statues of the twelve Apostles.

A mammoth organ with fifty-two stops, twenty-four feet wide, thirty-six feet high, and eighteen feet deep, and weighing ten tons, intended to be the largest on the coast, is now making in Germany, and will soon be placed in the church. The lofty belfry, one hundred feet from the ground, contains a beautiful chime of bells presented to the church by Peter Donahue, Esq. The total cost of this great structure is about \$175,000. At this date St. Patrick's is the largest and most costly church edifice in the State, and its lofty spire, supporting a large cross richly gilded with gold, two hundred and forty feet high, is one of the most conspicuous objects in the city.

Joseph Harrington, arrived August 27, 1852, and died November 2 of the same year, of Panama fever. The second regular Pastor, Rev. F. T. Gray, arrived June, 1853, and left in June, 1854, and died in Boston in February, 1855. The third regular Pastor, the Rev. R. P. Cutler, arrived August 31, 1854, and continued his ministrations without intermission until June 1, 1859, at which time he resigned his charge and left for New York. The Rev. John A. Buckingham then officiated as temporary Pastor until April 5, 1860. The Rev. Thomas Starr King arrived here with his family April 23, 1863, and commenced his ministrations the following day (Sunday) before one of the largest congregations ever assembled in this city.

During the period of Mr. King's ministry, the society extinguished a long-standing debt of \$20,000, and erected a new church on Geary Street near Stockton, at a cost of \$115,000, all of which has been paid. It is one of the most beautiful structures our city contains, and is remarkable for the purity of its architectural design and its interior beauty.

Bellows, of All Saints' Church, New York, President of the Sanitary Commission, and one of the most distinguished and influential ministers of the denomination, responded to an earnest call from the society, and left New York within a few weeks to fill the pulpit thus vacated, for a period of six months.

The Rev. Horatio Stebbins, of Portland, Maine, who had received an unanimous call from the society, became the permanent Pastor the following September. Since then the society has enjoyed its accustomed prosperity.

The pews of the church are not owned by individuals, but belong to the society whose organic laws require that they shall be rented annually at auction to the highest bidder. BRITISH BENEVOLENT SOCIETY OF CALIFORNIA.—Rooms, No. 730 Montgomery Street.

This society was organized in 1865, for the purpose of affording relief to sick and destitute members and per-

sions who were subjects of Great Britain at the time of their birth, and of promoting the social and intellectual improvement of its members. Between twelve and thirteen hundred members have been admitted to membership, and there are now some two hundred and sixty paying members, including thirteen life members, on the rolls. In May, 1877, the association was completely reorganized and incorporated, and a constitution adopted, containing several admirable features, and among others, provisions for free lectures, debates, and social concerts. From the time of its formation the affairs of the society have been carefully and judiciously managed, and its charity dispensed with prudent liberality. It has uniformly co-operated with the San Francisco Benevolent Association, St. Andrew's Society, and other societies, and through its agency their burden has been greatly lightened, many hundreds of sick and destitute men, women, and children effectively relieved, and a large number provided for with employment. The relief given is, for the most part, temporary; and, at present, under the new system adopted by the Board of Relief, averages \$4.37 per person. During the year ending April 30, 1874, the smallest number of applications for any one month was one hundred and twenty-seven, and the smallest amount expended \$170.45, the largest number of applications during the same period was two hundred and fifty-three, for the month of December, involving an expenditure of \$351.31. For the year terminating April 30, 1874, the total number of persons assisted was one thousand and nine, and the total amount expended \$4,414.51. The introduction of various literary and social features, and the opening of a correspondence throughout this and the adjoining States and Territories, it is confidently expected, will largely add to the usefulness of the institution, which has already attracted the marked admiration of the people of San Francisco. The Board of relief is in attendance daily from ten o'clock A.M. to one o'clock P.M. The regular meeting is held on the first Monday evening of each month, at eight o'clock.

It was organized on the seventh of January, 1854, with one hundred and five members, and has rapidly increased, until now it numbers two thousand eight hundred and thirty-one city members, and two hundred and ten in the interior.

Only Germans and persons speaking German are admitted to membership. The chief purpose of the association is mutual assistance in case of sickness, and when sick every member has a right to demand support and medical attendance from the society. The society has a second purpose of doing charity to Germans not members of the association, and especially to German immigrants newly arrived. The society has a hospital situated on Brauman Street near Third, built of brick, two stories high, with a basement, one hundred and twelve and one half feet front, fifty feet deep, with a wing in the rear of twenty-three feet front, two hundred and twelve feet deep, furnished with steam, sulphur, hot and cold water, and shower baths, and other conveniences for the treatment of the sick. The wards are smaller than any other hospital in the city, so that not many patients are put together in a room. The lot upon which the hospital is built is one hundred and thirty-seven feet six inches wide by two hundred and seventy-five feet long, the whole surrounded by a high fence and cultivated in a fine garden, a part planted with ornamental flowers and shrubs, and a part with kitchen vegetables. The property of the society, including the lot and hospital buildings, is worth about \$60,000, and a lot bounded by Sanchez, Noe, Dale, and Vale streets, valued at \$12,000. The revenue of the society amounted, in 1874, to \$36,773.66, derived chiefly from a monthly assessment of one dollar levied on each member. The expenses of the same year amounted to \$36,452.92.

The office is at 732 Washington Street, where the principal agent, Julius Barckhausen, can be found from eight o'clock a.m. to five o'clock p.m., on week days. Gillespie, Mrs. Taylor, Mrs. Joice, Mrs. A. Dubbs, and Mrs. O. C. Wheeler, Managers; Charles Gilmore, D. L. Ross, and S. Franklin, Trustees.

It originally occupied the building on the corner of Second and Folsom streets, owned by Gen. H. W. Halleck, whence they removed the children in March, 1854, to the present building, corner of Laguna and Haight streets just then completed, at a cost of \$30,000. This house built of stone and brick, expressly for the purpose, is highly creditable to the institution, as one of the noblest monuments of San Francisco benevolence. During the years 1862-3, a large and convenient addition was made to the present building, at an expense of \$30,000, which, together with the main building, will accommodate two hundred and fifty children. As a compliment to the Sansom Hook and Ladder Co., who, upon disbanding, donated to the asylum the building and lot owned by them, the new addition is called the "Sansom Wing." The number of children under the care of the asylum, January 1, 1874, was one hundred and sixty-two.

ORPHAN ASYLUM (Roman Catholic).—Organized

March 23, 1851. In July of the same year the erection of a wooden edifice was commenced, and completed the following September. It was occupied in part for a school, and a portion was temporarily used as a church, under the pastoral charge of the Rev. John Maginnis.

On August 18, 1852, the asylum was taken in charge by the Sisters of Charity. In 1854 a capacious brick building was erected on Market Street, near Third, at a cost of \$45,000. In 1864 an additional brick edifice was erected for a school, which was attended by several hundred day scholars.

In 1862 a farm of fifty-three acres, near Bay View, South San Francisco, was purchased, where there has been established a branch institution for very young children, called the St. Joseph's Infant Asylum. On this same tract of land there has been recently erected a large and commodious wooden edifice with all the modern conveniences, to which the children have been removed from the Market Street Building, which property was sold in June, 1872. The present building is beautifully located on a hill, commanding an extensive view of the surrounding country. It covers an area of two hundred and four by two hundred and eighty-two feet, including an open center court, measuring eighty by one hundred and forty-four feet. It will accommodate about eight hundred children.

It is a source of gratification to behold the consoling appearance presented by the several hundred little ones now provided for in the institution, which speaks audibly of the benign influence of the guardian Sisters, and of the true liberality of our community in their noble efforts to lend a helping hand to the fatherless.

SAN FRANCISCO FEMALE HOSPITAL.—This hospital was opened for the reception of patients on the first day of April, 1868. The object of the institution is the care of poor, sick women. There is no rule as to the nativity, religion, or social condition. It is a charity in the broadest sense of the term. Any woman who is poor and sick is entitled to share its benefits. It is a general hospital for all diseases, and for lying-in. During the seven years it has been open, there have been over five hundred births; of the whole number of births over fifty per cent have been illegitimate, showing conclusively the need of such an institution; as, if it were not for this hospital, the probabilities are that the greater number would have shared the fate of so many thousands of innocents murdered in their mother's womb. There have been besides a large number of patients admitted for general disease. During the existence of the hospital there have been but twenty-eight deaths, mostly from that scourge of our race—consumption. There have also been a very large number of outside patients treated, the physician and surgeon being in attendance every morning from ten to eleven o'clock to treat any poor persons who may come. It was supported by voluntary contributions until 1870, when the State appropriated \$5,000 a year for its support. The surgical department is under the care of Dr. C. T. Deane. The hospital is located on the corner of Prospect Place and Clay Street.

Officers.—Mrs. John S. Bugbee, President; Mrs. Dr. George Bucknell, Vice-President; Mrs. Theo. Smith, Secretary; Mrs. David Conkling, Treasurer.

SAN FRANCISCO LYING-IN HOSPITAL AND FOUNDLING ASYLUM.—Incorporated April, 1868, for the care, protection, and proper treatment of unprotected single women, with their offspring, together with all other children that may be left in infancy by outside parties. Said children will be considered foundlings.

The Trustees design to make this institution in the highest degree respectable and efficient, and available to women throughout every county in the State, regardless of religion, sectarianism, or nationality, whether in poverty or affluence. Those who are in a position to pay will be required to do so, for they do not consider it charity to do for nothing for persons who have the means; therefore, all applicants are questioned as to their ability to pay for the accommodations offered by this institution. If penniless they are not turned away, but received and treated with the same kindness and attention as those more favored by fortune. But each must give satisfactory proof of having heretofore sustained a good, moral character, and been esteemed respectable. It is expected that the institution will be supported by receipts from patients, donations, and contributions from different sources, appropriations by the City and State governments, and, in time, by bequests, legacies, etc. It is a special hospital, and for the specialties for which it was organized affords facilities not to be found elsewhere on this coast. No two patients occupy the same room at the same time. No

cases of disease are admitted for treatment. It is therefore expected that it will be kept free from erysipelas and other contagious diseases that become the bane of lying-in wards connected with general hospitals. It is thoroughly ventilated, and will afford all the comfort that is to be found in the best conducted homes, and free from all intrusion. Competent nurses are in attendance day and night.

MANUFACTURER OF

Browell's Vitrified Sewer and Water Pipes,

ARE OF CALIFORNIA MANUFACTURE, equal to the best English or Scotch manufactures, and superior to any made in the Eastern States. They are used extensively in the East, and in Europe, and are the only authorized Pipes allowed to be used by the Board of Health in England, for sanitary purposes. Their superiority over all other pipes has been confirmed by half a century's experience, for the following reasons: they are strong; are light and easily handled; do not corrode or decay; rats cannot burrow into them; and acids have no effect on them.

As these pipes are indestructible, they can be readily shipped to any part of the State without danger of breakage.

Also, Fine Terra Cotta FOUNTAINS, VASES, FANCY FLOWER POTS, GARDEN EDGING, CHIMNEY TOPS, ARCHITECTURAL ORNAMENTS, etc., of pure California make.

For Sale, all kinds of Stone Ware, Drain Pipe, Bends, Elbows, Junctions, Closet Pans, Urinaries and Sinks of every description; also, Fire Clay Pipes, for lining Chimney Flues, etc., etc.

Also, Manufacturer and Wholesale Dealer in every variety of Stove and Range Linings, superior to any of Eastern manufacture.

I am likewise prepared to contract for the construction of Sewers, Water Pipes for private use or for irrigating purposes, in any part of the State.

A SILVER MEDAL was awarded to J. BROWELL, by the Committee of the Eighth Industrial Exhibition of the Mechanics' Institute, for the best Vitrified Sewer and Water Pipes.

Work warranted and prices reasonable.

BROWELL'S Salamander Chimney Stacks.

PATENTED APRIL 1, 1873.

No Danger, No Repairing, No Dirt, No Trouble, Perfect Ventilation,
Cheap, Light, Portable, Fire-proof, Earthquake-proof.

The inventor of these complete Chimney Stacks is satisfied that he is offering to the public something that will be appreciated by every householder. They are particularly well adapted for the ventilation and heating of Churches, Schoolhouses, Theatres, and all kinds of public or private buildings. So universal is their application that they can be readily set on any fire-place, or outside of brick or frame buildings; in fact, they may be placed in any part of the house with perfect safety, without going to the foundation. Can also be applied to cooking stoves, ranges, blast furnaces, pottery kilns, etc.

This improvement consists in constructing the chimney or stack of sections of fire-clay, earthenware, cement, or artificial stone, and surrounding said chimney with a metallic tube larger than the chimney, in order to provide the necessary ventilation for keeping the inner pipe cool, and for furnishing warm air to the rooms of the house. It also consists of a novel arrangement for binding the sections together in their upright position, and for fixing and protecting the joints where they meet.

By constructing chimneys in the above manner, all trouble about burning or wearing out is entirely avoided. They can be transported readily to any part of the State, and put in place by any mechanic. Their adoption has been recommended by leading architects in San Francisco and throughout the State, and by Fire Insurance Companies generally.

State and County Rights for Sale in every State and Territory, except California. Apply by letter or in person to the patentee,
